DURAN'S NERVINE, Peruvian's Co., Oct. 1, '55. Dr. HANCO—Dear Sir:—Having been afflicted with falling fits for some years past, I determined to give your Pills a trial, (advertisement of which I saw in some of the papers) and continued to use them for some months, until I was entirely cured.

I believe them to be a frigate article; and since I have used them, I have not had one attack, and am now in the enjoyment of good health. I am, very respectfully, Yours, &c., JOHNATHAN J. JACOBS.

DR. McLANE'S VERMIFUGE. PREPARED BY FLEMING BROS. OF PITTSBURGH.

During a practice of more than twenty years Dr. McLane had attended innumerable patients, afflicted with every form of worm disease, and was induced to apply all the energies of his mind to the discovery of a vermifuge, or worm destroyer, certain in its effects; the result of his labors is the American Worm Specific, now before the public, prepared by Fleming Bros. of Pittsburgh, which is perfectly safe, and may be given alike to children of the most tender age, or to the aged adult; it purges mildly and subdues fever, and destroys worms with invariable success.

It is easy of administration, and as it does not contain mercury in any form whatever, no restrictions are necessary with regard to drinking cold water, nor is it capable of doing the least injury to the tenderest infant. An incredible number of worms have been expelled by this great vermifuge.

Purchasers will be careful to ask for DR. McLANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS., of Pittsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. McLane's genuine Vermifuge, can now be had at all respectable drug stores. None genuine without the signature of Nov. 16, 1859.—Im. FLEMING BROS.

The Temple of Health. Pleasure or Pain? Choose between them! Ye who suffer from the pangs of dyspepsia, the excruciating tortures of rheumatism, or the agonizing twinges of gout—whose minds are depressed by hidden sorrow, or bodies afflicted with internal disease—whose nights are rendered hideous by frightful dreams—whose days are spent in sighing for the silent repose of the tomb—whose souls steeped in the fatal mists of lethargy of despair, dare to entertain the thought of self destruction as the sole relief from grief and misery—hold!—and hearken to the voice of the multitude who have drank at the fountain of life and health. Holloway's Pills and Ointment are the only great antagonists of disease, whether of mind or body.

Notice is hereby given, in earnest, that every body without respect to persons, who does not pay Gen'l Bowman's notes by the 1st Dec. next, will be sued, or executed. Out of feelings of delicacy, we have endeavored to respect the feelings of others, by forbearing to sue. Some whose notes we have, are loudest about cash terms in business. Let them practice as well as preach. After repeated notices of this kind, and frequent duns, together with a service of twenty five years among our people, it is time the claims were collected. No one, therefore, who neglects to pay at the above date, we trust, will take offence at being reminded of their duty. If they do, we hope they will get in a good humor again. The notes are in our hands and must be paid. Oct. 28th, 1859. CESSNA & SHANNON.

HOSSETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able to regulate the system so as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life.

For this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail, by using HOSSETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; but why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the realm of medical science.

From its Active—This is a powerful purgative disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSSETTER'S RENEWED BITTERS. Further, none of the above-said diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only to be tried to be appreciated. And to a mother while nursing the mother's indigestion is injudicious to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hossetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSSETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hossetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Prepared and sold by HOSSETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to Dr. Chas. McLane's Celebrated Vermifuge and Liver Pills.

We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.: THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivalled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS, PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. McLane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner.
