FITS! WHY PROMINENT.
 For a long time there was a paragraph making its regular weekly appearance in our columns with the brief, but emphatic words "Fits! Fits!" all but ways at the head, to some an offensive caption, but not so to the benevolent and humane, who could not be shocked at any indication of disease, and are ever thrown into nervous excitement on witnessing a hearse or a coffin. Such are to be pitied. We should always strive to look disease and even death in the face with calmness, and especially take every opportunity for alleviating disease. Viewed in this light, the advertisements of S. S. Hance, of 108 Baltimore street, Baltimore, Md., possess a certain interest, and those who know of any one suffering from Epilepsy, Spasms, or Fits of any kind, should feel it a pleasure to cut out his advertisement, or in some other way send word to the afflicted of the great value of his remedies. They can be sent to any part of the country by mail. Price, \$3 per box. Two, \$5. Twelve, \$24.

IT IS A common observation that there are more sufferers from debility among Americans, than from any other civilized nation. The reason is obvious. We take too little exercise, and forget the wants of the body in the absorbing pursuits of business. In all such cases, ordinary medicines can do little good. What is required is just such a tonic and invigorator as Dr. J. Foster's has been to the world, in his Celebrated "Bitters." The weak and nervous denizen of the counting-house, the exhausted laborer on the shop-board, and the prostrated student of the midnight lamp, have found a wonderful restorer in the "Bitters," and prefer it to more pretentious, but less efficacious medicines. But it should not be forgotten that the agent which is so magical in its influence upon a frame which is so debilitated, is equally powerful in assisting nature to expel the most terrible forms of disease. Who will not give it a trial?
 Sold by druggists and dealers generally, everywhere.

HOSTETTER'S STOMACH BITTERS.
 It is a fact that, at some period, every member of the human family is subject to illness or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able to regulate the system so as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced into this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.
 For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, eructation of the Stomach or Belching, producing Cramps, Dysentery, Cholera Morbus, &c., these Bitters have no equal.
 Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, who use a Bitter of this kind, estimated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.
 FEVER AND AGUE.—This trying and prostrating disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is relieved as speedily as is consistent with the production of a thorough and permanent cure.
 For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.
CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.
 Beware of cheap imitations by HOSTETTER & SMITH, Pittsburg, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.

DR. M'LANE'S CELEBRATED VERMIFUGE LIVER PILLS.
 WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to
 Dr. Thos. M'Lane's Celebrated Vermifuge and Liver Pills.
 We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:
THE VERMIFUGE,
 For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.
THE LIVER PILLS,
 For the cure of LIVER COMPLAINTS, ALL BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. IN CASES OF
FEVER AND AGUE,
 preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.
 As specifics for the above mentioned diseases, they are Unrivalled, and never known to fail when administered in accordance with the directions.
 Their unprecedented popularity has induced the proprietors,
FLEMING BROTHERS,
 PITTSBURGH, PA., to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to
FLEMING BROS., Pittsburg, Pa.
 P. S. Dealers and Physicians ordering from others than Fleming Bros., will do well to write their orders distinctly, and take care not to be misled by cheap imitations. To those wishing to give Fleming Bros. a trial, we will forward per post, on receipt of the United States, one box of Pills for twelve thousand postage stamps, one trial of Vermifuge for fourteen thousand stamps. All orders from Canada must be accompanied by twenty cents extra.
