JUDSON'S Mountain Herb Pills. Agony, we present you with a perfect remedy, a child of a tribe of the strange Arctian Nation, that once ruled Mexico. You will find a full account of him and his people in our pamphlet, "Almanac—To be gratis, from the Agents for these Pills." The Inventor and Manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited every county in the world. He spent over six years among the Indians of the Rocky Mountains and Mexico, and was the first to discover the "Mountain Herb Pills" which you will find in our Almanac and Pamphlet. It is an established fact, that all diseases arise from IMPURE BLOOD! The blood is the life and when a foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs equally complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficient quantity. The action of the heart is weakened, and an obstruction is formed. The lungs become congested with the poisonous matter, hence, a cough—and all from a slight impurity at the fountain-head of the blood. As you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes obstructed and discolored. So does the impure blood by its very nature, and leave its sting behind. All the passages are obstructed, and the obstruction is removed, the lamp of life soon dawns. These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a CURE FOR BILIOUS DISEASES. Liver Complaint, Sick Headache, &c. This last Bilious disease is the most common, and is attended with great suffering, and renders all the fluids and secretions purgative and fluent, clearing and re-establishing the vital organs. It is not, however, to be taken, but to be taken in a small quantity, and in a few days the blood will be purified, and the system restored to its normal state. These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a CURE FOR BILIOUS DISEASES.

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD. And for the speedy cure of the subjunctive varieties of Diseases. Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Itches, Boils, Ringworms, and all Skin Diseases. OAKLAND, Ind., 6th June, 1860. J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and forehead, and with care with one, which was painful and covered my scalp beyond description. I tried many medicines and several systems, but without relief from any thing. In fact, the disorder grew worse. At length I was obliged to read in the Gospel Messenger that you had prepared an effective Sarsaparilla; for I knew from your reputation that any thing you made was sure. I went to the store and got it, and used it till it cured me. I took it, you see, in small doses, and continued it for a month, and used almost three bottles. Now my health is restored, and I feel as well as ever. I have not had a single eruption since. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can see by this that I feel what I say, and when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. ALFRED R. TALLEY.
