AYER'S CATHARTIC PILLS.
Are you sick, feeble, and complaining? Are your bowels constipated, and your system deranged, and your feelings unquiet? These symptoms are often the result of a bilious condition. Some fit of sickness is creeping upon you, and should be averted by a timely resort to the most powerful and safe medicine. Take Ayer's Pills, and cleanse out the disordered system—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs the functions of the organs, producing general prostration, suffering, and disease. While in this condition, operated by the derangement, take Ayer's Pills, and you will directly restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the most important and serious diseases which are cured by the same means. None who know the virtues of these Pills will neglect to employ them when suffering from the disorders they cure.
Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Practising Merchant of St. Louis, Mo. 1856.
DR. AYER: Your Pills are the purgative of all that is great in medicine. They have cured my little daughter of a bilious fever, and have done more for her than any other medicine for years. Her mother has been long generally afflicted with biliousness, and purges her with castor oil and her hair. After we used your Pills, she was cured, and your Pills, and they have cured her.

As a Family Physic.
From Dr. W. H. Cartwright, New Orleans.
Your Pills are the prince of purgatives. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their operation on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Puff Swellings.
From Dr. E. H. Smith, New York.
I have used your Pills for many years, and I can say that they are the best cathartic we possess. They are mild, but very certain and effectual in their operation on the bowels, which makes them invaluable to us in the daily treatment of disease.

Bilious Disorders—Liver Complaints.
From Dr. Theodore Bell, of New York City.
Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my 17 years' practice proved most effectual for the cure of bilious complaints, and they are equally so for the cure of all the other diseases which we have at length a purgative which is worthy the confidence of the profession and the people.

Dysentery, Diarrhoea, Relax, Worms.
From Dr. J. C. Green, of Chicago.
Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best remedies I have ever found. Their salutary effect upon the liver makes them an excellent remedy, and in small doses for Bilious Dysentery and Diarrhoea. Their stimulating qualities make them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.
From Dr. J. J. Hunt, Pastor of Advent Church, Boston.
DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the bowels, to cleanse the system and purify the foundation of the blood.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Pits, etc.
From Dr. J. P. Vaughn, Montreal, Canada.
Too much cannot be said of your Pills for the cure of constipation. If others of my acquaintance have used them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from this complaint, which, although but common in itself, is the progenitor of others that are worse. I believe no medicine so valuable in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.
I find one or two large doses of your Pills, taken at the proper time, are excellent preventives of the natural action when wholly or partially suspended, and they are effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hanks, of the Methodist Epist. Church, Pulaski, Mo., Savannah, Ga., Jan. 6, 1856.
HONORED SIR: I should be ungrateful for the relief you will have brought me, if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure, and I am now entirely well.

From Dr. J. C. Green, of Chicago.
DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the bowels, to cleanse the system and purify the foundation of the blood.

DR. MOTT'S IRON.
A NON-APERT AND STOMACHIC PREPARATION by combination of Hydrogen and Carbon by the highest medical authorities, both in Europe and the United States, and prescribed in their practice.
The experience of thousands daily proves that no preparation of Iron can be compared with its. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. It has proved absolutely curative in each of the following complaints, viz:
Anemia, Nervous Affections, Emaciation, Dyspepsia, Consumption, Diarrhoea, Dysentery, Jaundice, Consumption, Scrophulous Tubercular, Salt Rheum, Menstruation, Whites, Chlorosis, Liver Complaint, Chronic Headaches, Rheumatism, Intermittent Fevers, Pleurisy on the Pleura, &c.

In cases of General Debility, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, a trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned. Some very singular instances of this kind are attested of feeble sufferers, emaciated victims of apparent marasmus, and of those who have been prostrated by the complication of nervous and dyspeptic version to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of Iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being aperient and over-heating, and gently regains its natural equilibrium, and gently regains its natural equilibrium, and gently regains its natural equilibrium.

In this latter property, among others, which makes it so remarkably effectual and permanent a restorative for Pleurisy, upon which it also appears to exert a distinct and specific action, by depositing the iron in the lungs, which forms the basis of the cure.

In Dyspepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases.

In unchecked Diarrhoea, even when advanced to Dysentery, confirmed, emaciating and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate Incipient Consumption, this remedy has alleviated the alarm of friends and physicians, in several very gratifying and interesting instances.

In Scrophulous Tubercular, this medicated iron has had for more than a century the most cautiously balanced preparations of iodine, without any of their well-known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory, in the latter, however, more decidedly, it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great restorative and energetic restorative, and its progress in the new settlements of the West, will probably be one of high repute and usefulness.

No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing 50 pills per box 50 cents per box; for sale by druggists and dealers. Will be sent free to any address, on receipt of the price.

All letters, orders, etc., should be addressed to R. B. Locke & Co., General Agents, 20 CEDAR STREET, N. Y.
