

Battle of Williamsburg.
HEADQUARTERS ARMY OF THE POTOMAC,
WILLIAMSBURG, May 6, 1862.
To the Hon. E. M. Stanton, Secretary of War:
I have the pleasure to announce the occupation of this place as the result of the hard-fought action of yesterday. The effect of Gen. Hancock's brilliant engagements, yesterday afternoon, was to turn the left of their line of works. He was strongly reinforced, and the enemy abandoned the entire position during the night, leaving all his sick and wounded in our hands. His loss yesterday was very severe. We have some three hundred unimpaired prisoners, and more than 1,000 wounded. Their loss in killed is heavy.
I have sent cavalry in pursuit.
The conduct of our men has been excellent, with scarcely an exception.
The enemy's works are very extensive, and exceedingly strong, both in regard to their position and the works themselves.
Our loss was heavy in Gen. Hooker's division, but very little on other points of the field.
General Hancock's success was gained with a loss of not over twenty killed and wounded.
The weather is good to-day, but there is a great difficulty in getting up food, on account of the roads. Very few wagons have, as yet, come up.
Am I authorized to follow the example of other generals, and direct the names of battles to be placed on the colors of regiments? We have other battles to fight before reaching Richmond.
G. B. McCLELLAN,
Major General Commanding.

YONKONNY, Tuesday May 6, 1862.
Yesterday morning our troops followed up the retreating Rebels with great rapidity, and overtook them at Williamsburg, where they fought all day.
At the outset we took two of their works, and were advancing; but the exhaustion of those of our regiments which were earliest in the field, and which had no provisions during the day, compelled them to fall back, as they were utterly worn out. One of our batteries was lost by getting imbedded in the mud, and its horses were shot. General McClellan arrived on the ground at five o'clock, an assumed command. He directed all our exhausted troops to retire, filled their places with fresh men, drove back the enemy, repossessed the ground taken in the morning, captured another battery, and took about our hundred and fifty prisoners.
Hancock's brigade made a most brilliant charge. The firing was kept up until after dark, at which time everything looked well. To-day the whole army, reserves, regulars, and all, is ordered up, and the battle will be renewed if the Rebels stand.
A strong force has gone to West Point, and will attack the Rebels in the rear.
FURTHER PARTICULARS.
WILLIAMSBURG, May 6.—The enemy evacuated this place and their works last night, the rear guard passing through about 6 o'clock this morning.
At nine o'clock General McClellan and escort entered the town, and took possession. About one hundred and fifty of the enemy's sick and wounded were left behind without any rations, medicines, or surgeons. They also left a number of their dead unburied.
All of our wounded in yesterday's engagement, who fell in their hands, were left behind. Col. Dwight, of the Excelsior Brigade, who was severely wounded in the engagement of yesterday, and taken prisoner, was also left in the hospital.
The enemy suffered terribly. General Ricketts was killed.
The enemy had a force here yesterday of 50,000 men, and only decided to evacuate after the brilliant charge of Gen. Hancock. The town is very pleasantly located, and the majority of the white inhabitants are remaining. The number of the enemy now in our hands is about 1,300, including the wounded.

THE FIGHT BEYOND WILLIAMSBURG.
BALTIMORE, May 8.—The following is furnished by the special correspondent of the American, dated Yorktown, yesterday:
At twelve o'clock, to-day, as I close my letter, the latest intelligence received from the field of battle is, that General McClellan has come up with the enemy about three miles beyond Williamsburg, and after a pretty severe skirmish with his rear, he again put him to flight across the Chickahominy creek.
A large additional number of prisoners have been taken, including deserters, who report that they had nothing to eat but a few hard biscuits for forty-eight hours, and when brought in, they fell down in a state of exhaustion.
Heavy cannonading could be heard by the boats coming down the river early this morning. Nothing as to the results is ascertained.

CLEANSE THE BLOOD.
WITH corrupt, disordered or vitiated blood you must be sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blisters, Boils, St. Anthony's Fire, Ross or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, Syphilis, or Venereal Diseases, Liver Complaints and Heart Diseases. Try AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures the disorders.
AYER'S CHERRY PECTORAL is so universally known to surpass every other remedy for the cure of Coughs, Colic, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.
AYER'S CATHARTIC PILLS—for Costiveness, Dyspepsia, Indigestion, Dysentery, Puff Swelling, Jaundice, Headache, Heartburn, Piles, Rheumatism, Dropsy, Worms, and in short for all the purposes of a purgative medicine. Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists everywhere.

AYER'S CATHARTIC PILLS.
THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent me the assurance of their conviction that our preparations contribute immensely to the relief of my afflicted, suffering fellow-men.
The agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:—
Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and pain arising therefrom, Flatulency, Loss of Appetite, all diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout and other kindred complaints arising from a low state of the body or obstruction of its functions.
Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by Dr. B. F. HARR, Bedford.

HOLLOWAY'S PILLS—Impurity of the Blood.—Health consists in the purity of the fluids and solids which compose the human body; if the blood becomes vitiated it infects the whole system by its course through every fibre and tissue. Holloway's Pills not only expel all humors which taint or impoverish this vital element, but purify and invigorate it, and by supplying a gentle and wholesome stimulus to the circulation they strengthen each part, and give tone to the whole frame. Sold by all Druggists at 25c., 62c., to \$1 per box.

From 60 to 70 acres are now in clover. The farm lies along the Grove Road, (which is a great advantage) and is in the heart of a good pine, chestnut, and oak, &c. This tract will be divided into several parts, as may best suit purchasers.
