And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 23, 1819, further provides as follows, to wit: "That the inspectors and Judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before 8 o'clock in the morning on the 4th day of October, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district."

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected judge shall appoint an inspector in his place, and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election the qualified voters for the township, ward or district for which such officer shall have been elected, present at the election, shall elect one of their number to fill such vacancy."

"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special, or township election during the whole time such election is kept open, for the purpose of giving information to the inspectors, and judges, when called on, in relation to the right of any person assessed by them to vote in such election, and on such other matters in relation to the assessment of voters, as the said inspectors or either of them shall from time to time require."

"No person shall be permitted to vote at any election as aforesaid, that a white freeman of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or county tax which shall have been assessed at least ten days before the election. But a citizen of the United States, who shall have been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes, aforesaid, shall be entitled to vote after residing in this State six months. Provided, That the white freemen, citizens of the United States, between the age of twenty-one and twenty-two years, who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax."

"No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants, furnished by the Commissioners, unless: First he produce a receipt of payment, within two years of State or County tax assessed agreeably to the Constitution, and give satisfactory evidence on his own oath or affirmation of another that he has paid such tax, or in failure to produce a receipt shall make oath to the payment thereof; or second if he claim a right to vote by being an elector between the age of twenty-one and twenty-two years shall deposit on oath or affirmation, that he is residing in the State at least one year next before his application, and make such proof of residence in the district as is required by this act, and that he does really believe, from the account given him, that he is of the age aforesaid, and give such evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the inspector, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of leaving paid tax, or the word "age," if he shall be admitted to vote by reason of age, and in either case the clerk of such a vote shall be called out to the clerks, who shall make a like note in the lists of voters kept by them.

"In all cases where the name of the person claiming to vote is not on the list furnished by the commissioners, or his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year next before his death, he shall make oath that he shall make good by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election, and shall also swear that his bona fide residence, in pursuance of his lawful calling is within the district, and that he did not remove within the district for the purpose of voting."

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted, to vote in the township, ward or district in which he shall reside."

"If any person shall prevent or attempt to prevent any officer of an election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, shall block up or attempt to block up the window or avenue to or from the polls where the same may be held, or shall riotously disturb the peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one or more than twelve months and if it shall be shown to the Court where the trial of such offence shall be had that the person so offending was not a resident of the city, ward, district or township where the offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years."

"If any person or persons shall make any bet or wager upon the result of an election, with the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet."

And the Judges of the respective districts aforesaid, are required to meet at Bedford, on the Friday next following the holding of said election, then and there to perform those things required of them by law.

Given under my hand, at my office in Bedford, this 4th day of September, in the year of our Lord, one thousand eight hundred and sixty three, and the eighty-sixth of the Independence of the United States.
