

Pulmonary Consumption a Curable Disease!

A CARD TO CONSUMPTIVES.

The undrained having been restored to health in a few weeks, by a very simple remedy, after having suffered several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who would, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which will find a sure cure for CONSUMPTION, ASTHMA, BRONCHITIS, COUGHS, COLIC, &c. The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try his remedy, as it will cost them nothing and may prove a blessing.

Parties wishing the prescription will please address Rev. EDWARD A. WILSON, Williamsburg, Kings County, N. Y. September 25—4m

A FORTUNE FOR ALL!

LETTER MEN OR WOMEN!!

NO HUMBUG, but an ENTIRELY NEW THING. Only three months in this country! No clap-trap operation to gull the public, but a genuine money-making thing! Read the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS SOME DAYS! Giving instructions in this art. No person has to be urged to patronize it. It is a thing that takes better than anything ever before offered. You can make money with it home or abroad—on steamboats or railroad cars, and in the country or city. You will be pleased in pursuing it, not only because it will yield a handsome income, but also in consequence of the general admiration which it elicits. It is pretty much all profit. A mere trifle is necessary to start with.

There is scarcely one person out of thousands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do send for instructions will have a broad field to make money in. There is a class of persons in this world who think that because they have been humbugged out of a dollar or so, that every thing that is advertised is a humbug. Consequently they try no more. The person who succeeds is the one that keeps on trying until he hits something that pays him.

This art cost me one thousand dollars, and I expect to make money out of it—and all who purchase the art of me will do the same. One dollar sent to me will insure the prompt return of a card of instructions in the art. This money will be returned to those not satisfied. Address: WALTER T. TINSLEY, No. 1 Park Place, New York. Oct. 20, 1863—3m.
