A FORTUNE FOR ALL!
EITHER MEN OR WOMEN!
NO HUMBUG, but an extremely new thing.

Only three months in this country! No clap-net operation to pull the public, but a genuine money-making thing! Read the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS SOME DAYS! Give instructions in this art. Thousands of soldiers are making money rapidly at it. No person has to be urged to patronize it. It is a thing that takes better than anything ever before offered. You can make money with a home or abroad—on steamboats or railroad cars, and in the country or city. You will be pleased in pursuing it, not only because it will yield a handsome income, but also in consequence of the general admiration which it elicits. It is pretty much all profit. A mere trifle is necessary to start with.

There is scarcely one person out of thousands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do attend to instructions will have a broad field to make money in. There is a class of persons in the world who think that because they have been humbugged out of a dollar or so, that every thing that is advertised is a humbug. Consequently they try no more. The person who succeeds is the one that keeps on trying until he hits something that pays him.

This art cost me one thousand dollars, and I expect to make money out of it—and all who purchase the art of me will do the same. One Dollar sent to me will insure the prompt return of a card of instructions in the art. The money will be returned to those not satisfied. Address

ENTIRELY VEGETABLE
NO ALCOHOLIC PREPARATION!
A PURE TONIC MEDICINE.

DR. HOOFLAND'S CELEBRATED German Bitters,

PREPARED BY
DR. C. M. JACKSON, Phila., Pa.

WILL EFFECTUALLY CURE
LIVER COMPLAINT DYSPEPSIA JAUNDICE

Chronic or nervous debility, diseases of the kidneys, and all diseases arising from a disordered Liver or Stomach,

such as Constipation, Headache, Piles, Fulness, or blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for food, Fulsness or weight in the Stomach, or Eructations, Singing or Burping at the pit of the Stomach, swelling of the liver, hurried and difficult Breathing, Fluttering at the Heart, choking or suffocating sensations when in a lying posture, Dimness of vision, dots or webs before the sight, Fever and dull pain in the head, deficiency of Perspiration, Yellowness of the Skin and Eyes, heat in the side, back, chest, Limbs, &c., Sudden Flashes of Heat, Burning in the Flesh, Constant Imaginations of Evil, and Great Depression of Spirits.

It will positively prevent YELLOW FEVER, BILLIOUS FEVER, &c.

THEY CONTAIN NO ALCOHOL, OR BAD WHISKEY!

They will cure the above diseases in ninety-nine cases out of a hundred.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegetable) hosts of ignorant Quacks and unscrupulous adventurers, have opened upon suffering humanity the flood gates of Nostrums in the shape of poor whiskey, vilely compounded with injurious drugs, and exhausted Tonics, Stomachics and Bitters.

Beware of the innumerable array of Alcoholic preparations in alcoholic bottles, and big hollow legs under the modest appellation of Bitters; which, instead of curing, only aggravate disease, and leave the disappointed sufferer in despair.

HOOFLAND'S GERMAN BITTERS. Are not a new and untried article, but have stood the test of fifteen years trial by the American public, and their reputation and sale are not rivaled by any similar preparation.

The proprietors have thousands of letters from the most eminent

CLERGYMEN, LAWYERS, PHYSICIANS, AND CITIZENS.

Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

Do you want something to strengthen you? Do you want a good appetite? Do you want to build up your constitution? Do you want to feel well? Do you want to get rid of nervousness? Do you want to sleep well? Do you want a brisk and vigorous feeling? If you do, use HOOFLAND'S GERMAN BITTERS.

From J. Newton Brown, D. D., Editor of the *Encyclopaedia of Religious Knowledge*.

Although not disposed to favor or recommend Patent medicines in general, but regarding their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice, by proper tests, and for encouragement to try them, which, after a long and long continued debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.
Philadelphia, June 25, 1861.
From the Rev. JOSEPH H. KENNARD, Pastor of the Third Baptist Church.

Dr. Jackson's German Bitters—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,
JOSEPH H. KENNARD.

From the wife of ALDERMAN WUNDER, Germantown.

Germantown, June 1, 1861.
Dr. C. M. Jackson—You gave me pleasure two years ago, to give you a certificate, testifying that the German Bitters had done for me. I am now perfectly cured of all those diseases, your medicine professed to cure, viz: Dyspepsia, Chronic and Nervous debility, diseases of the Kidneys, &c. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and in every instance it has effectually cured. Your medicine has a great reputation in Germantown, and is now sold in every Drug store, and in most of the Grocery stores here. If any one should question what I say, let them come to Germantown, and I will prove to their satisfaction, that the Bitters have cured in this vicinity more than twenty cases of the above disease. Respectfully,
HANNAH WUNDER.

SHERMAN'S BALSAMIC COUGH SYRUP.
For Coughs, Colds, Croup, Whooping Cough, Asthma, Bronchitis, Spitting Blood, Pain, and Weakness of the Breast, Difficulty of Breathing, &c.

THIS is no new remedy. It has been used for a number of years, in the most intelligent parts of Pennsylvania, and has wherever known, acquired an unprecedented reputation for curing the various diseases for which it is recommended.

So apparent is its usefulness, and so remarkable has been its cure, that it is as surprising every other remedy for those diseases. The afflicted can rely upon it doing as much for them, and in many cases more than any other remedy now before the public.

It is recommended and prescribed in the practice of a large number of the most intelligent and able physicians of Maryland. It is used and considered an indispensable household remedy by a large portion of the first families of the State.

It is used by all classes of society, and the universal opinion is that it is good. This Syrup is purely Vegetable Composition, it is pleasant to take, and never does injury. But owing to its purifying qualities, must do good under any circumstances. Its effects are truly wonderful, soothing, calming, and allaying the most violent coughs, purifying, strengthening and invigorating the whole system, calming and soothing the nerves; and facilitating expectoration, and healing the DISEASED LUNGS.

Thus striking at the root of disease, and driving it from the system.

This
