WISTAR'S BALSAM OF WILD CHERRY.

ONE OF THE OLDEST AND MOST RELIABLE REMEDIES IN THE WORLD FOR Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Asthma, Hoarseness, Sore Throat, Croup, and every affection of THE THROAT, LUNGS AND CHEST, INCLUDING EVEN CONSUMPTION.

WISTAR'S BALSAM OF WILD CHERRY. So general is the use of this remedy because, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and find proof in the most abundant and voluntary testimony of the many who from long suffering, and in some cases have by its use been restored to pristine vigor and health. We can present a mass of evidence in proof of our assertions, that CANNOT BE DISCREDITED.

The Rev. Jacob Sechler, Well known and respected among the German population of this country, makes the following statement for the benefit of the afflicted.

HANOVER, Pa., Feb. 16, 1859 Dear Sirs—Having realized in my family important benefits from the use of your valuable preparation WISTAR'S BALSAM OF WILD CHERRY—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been benefited by it.

JACOB SECHLER, From Jesse Smith, Esq., President of the Morris County Bank, Morristown, New Jersey.

Having used Dr. WISTAR'S BALSAM OF WILD CHERRY for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure in recommending it to the public as a valuable remedy in cases of weak lungs, colds, coughs, &c., and a remedy which I consider to be entirely innocent, and which may be taken with perfect safety by the most delicate in health.

From Hon. John E. Smith, a Distinguished Lawyer in Westminster, Md. I have on several occasions used Dr. WISTAR'S BALSAM OF WILD CHERRY for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.

This Balsam has also been used with excellent effect by J. B. ELLIOTT, Merchant, Hall's Cross Roads, Md.

IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the vital Principle of Life Element of the blood. This is derived chiefly from the food we eat, but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.
