"That the Inspectors and Judges shall meet at the respective places appointed for holding the election in the district in which they may respectively be held, before 9 o'clock, on the morning of the first Tuesday in August, and each of said Inspectors shall appoint a clerk who shall be a qualified voter of such district.

Particular attention is directed to the Act of Assembly, passed the 23d day of April, 1864, entitled "An Act prescribing the time and manner of submitting to the people, for their approval and ratification, or rejection, the proposed amendments to the Constitution," wherein it is prescribed:

For the information of the electors of Bedford County, I also publish the following taken from an Act of the General Assembly of 1839:

"It shall be the duty of the several Assessors, respectively, to attend at the place of holding every General, Special or Township election, during the whole time said election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters as the said Inspectors, or either of them, shall from time to time require.

"No person shall be permitted to vote at any election as aforesaid, than a white freeman of the age of 21 years or more, who shall have resided in the State at least one year, and in the election District where he offers to vote at least ten days, immediately preceding such election, and within 2 years have paid a State or County tax which shall have been assessed at least ten days before the election. But a citizen of the United States, who has previously been a qualified voter of this State, and removed therefrom and returned and who shall have resided in the election District and paid taxes aforesaid shall be entitled to vote after residing in this State six months: Provided, That the white freeman citizens of the United States between the ages of 21 and 22 years, who have resided in the election District ten days as aforesaid, shall be entitled to vote, although they shall not have paid taxes.

"In all cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners or Assessors, or his right to vote whether found either by verbal proclamation thereto, or by any written thereon or not, is objected to by any qualified citizen, it shall be the duty of the Inspectors to examine such persons on oath as to qualifications, and if he claims to have resided within the State for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness; who shall be a qualified elector, that he has resided within the District for more than ten days next immediately preceding said election, and shall also himself swear that his bona fide residence, in pursuance of his lawful calling, is within the District, and that he did not remove into the said District for the purpose of voting.

"Every person qualified as aforesaid, and who shall make the proof, if required, of his residence and payment of taxes, as aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent an officer of the election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, shall block or attempt to block up the window or avenue to any window where the same may be holding, or shall riotously disturb the peace of said election, or shall use or practice any intimidation, threats, force or violence with the design to influence, unduly or overawe any elector, or to prevent him from voting, or to restrain the freedom of choice, such person on conviction shall be fined in any sum not exceeding five hundred dollars and to be imprisoned for a time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward, district or township where the said offence was committed, and not entitled to vote therein, then on conviction he shall be sentenced to pay a fine of not less than one hundred or more than one thousand dollars, and to be imprisoned not less than six months nor more than two years.

"If any person or persons, shall make any bet or wager upon the result of any election within this Commonwealth, or shall offer to make any such bet or wager, or printed advertisement, challenge or invite any person or persons to make bet or wager, upon conviction thereof, he or they shall forfeit and pay three times the amount so offered to bet.

"If any person not by law qualified, shall fraudulently vote at any election in this Commonwealth, or being otherwise qualified shall vote out of his proper district or if any person knowing the want of such a qualification shall aid or procure such person to vote, the person, on conviction shall be fined in any sum not exceeding two hundred dollars and be imprisoned for any term not exceeding three months.

"If any person shall vote at more than one election district, or otherwise fraudulently vote more than once on the same days or shall fraudulently fold and deliver to the Inspector two tickets together, with the intent illegally to vote, or advise and procure another so to do, he or they shall, on conviction, be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned not less than three nor more than twelve months.

"If any person not qualified to vote in this Commonwealth, agreeably to law, (except the sons of qualified citizens) shall appear at any place of election for the purpose of issuing tickets or of influencing the citizens qualified to

vote, he shall on conviction, forfeit and pay any sum not exceeding one hundred dollars for every such offence, and be imprisoned for any term not exceeding twelve months."

Agreeably to the provisions of the 61st section of said act, "Every General and Special Election shall be open between the hour of eight and ten in the forenoon and shall continue until seven o'clock in the evening when the polls shall be closed.

Pursuant to the provisions contained in the 76th section of the act first aforesaid, the judges of the aforesaid districts shall respectively take charge of the certificate of return of the election of their respective districts, and produce them at a meeting of the judges from each district, at the Borough of Bedford, on the third day after the election, being for the present year ON FRIDAY, THE 5TH DAY OF AUGUST NEXT, then and there to do and perform the duties required by law of said judges.

Also—That where a judge by sickness or unavoidable accident, is unable to attend such a meeting of judges then the certificate or return aforesaid shall be taken charge of by one of the Inspectors or Clerks of the election of said district, who shall do and perform the duties required of the said Judges unable to attend.

IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the vital principle of Life Element of the blood. This is derived chiefly from the food we eat, but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the lungs, will clog up the lungs, and will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of  
Iron as a Medicine

is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

D. W. AMOS' PATENT  
HORSE RAKE.

This rake combines greater improvements, and more effective facilities, than any ever before offered to the agriculturist.

As the teeth are elevated and depressed by the foot of the driver, his hands are left free to guide his team with precision, and keep it under perfect control. As each rake-tooth is capable of an independent vertical movement, the rake will operate perfectly over the most uneven surface with a uniform pressure, and will, consequently,

RAKE MOWN GRASS PERFECTLY CLEAN.

As the teeth of the rake have two movements, stony ground will not obstruct its movement, nor injure the several teeth, and it will take without injury in the heaviest grass.

As the teeth form their own springs, the cumbersome, costly, and complex springs, heretofore used, are entirely dispensed with, and in case of breakage any Farmer can at once replace the broken teeth.

As the rake-teeth are lifted automatically by mechanism, controlled by the foot of the driver, he is enabled to operate the machine with very little fatigue and without using his hands at all. As the driver has both handles with which to manage his team, he can START, TURN, or go FORWARD with precision and at the proper moment; and as the movement of the teeth are controlled by his foot, he can, at the proper moment, elevate them to discharge their load, and instantly drop them at the exact moment and place to commence raking without loss of time.

This rake is solidly constructed of durable materials, and is so simple and direct in its operation that any boy who can manage a horse in harness, can, with this RAKE, do perfect work.

All persons wanting a good Rake will please give me a call in due time, as I will have a great many to make this season.

From the Rev. Levi C. Beck, Pastor of the Baptist Church, Pennington, N. J., formerly of the North Baptist Church, Philadelphia.

I have known Hoodland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strictly beneficial manner. I take pleasure in this public testimony, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this most cheerfully, as Hoodland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly,  
LEVI C. BECK.

From the Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge, and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoodland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was so judiciously advised by many years, under the impression that they were chiefly an alcoholic
