Medical. A YER'S HAIR VIGOR, FOR THE RENOVATION OF THE HAIR. THE GREAT DESPERATEM OF THE AGE. A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume. Prepared by Dr. J. C. AYER & Co., PRACTICAL AND ANALYTICAL CHEMISTS, LOWELL, MASS. Price \$1.00. aug21'68y1 B. F. HARRY, Agent.

A YER'S CHERRY PECTORAL, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption. Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the Lungs and Throat, has made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a protection against sudden colds and coughs, all should be provided with this salutary for them. Although settled Consumption is thought incurable, still great numbers of cases where the acute symptoms have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear. Singers and public Speakers find great protection from it. Asthma is always relieved and often wholly cured by it. Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known that we need not publish the certificates of those who have used it, to prove the public that its qualities are fully maintained.

A YER'S AGUE CURE, For Fever and Ague, Intermittent Fever, Chills, Remittent Fever, Dumb Ague, Periodic or bilious Fever, &c., and indeed all the obnoxious malarial and malarious, marsh, or malarial poisons. As its name implies it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it is no more injurious any patient. The number and importance of the cases cured, are generally admitted, have been completely cured, and we believe without a parallel in the history of Ague medicine. Its price is graded to suit the necessities of all classes, and the radical cure effected in obstinate cases, and where other remedies had wholly failed. Unaccompanied persons, either resident in, or travelling through malarial localities, will be protected by taking the AGUE CURE daily. For Liver Complaint arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity. For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed. Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world. PRICE, \$1.00 PER BOTTLE. B. F. HARRY, agent. sep1y1
