Never run in debt—but especially with a shoemaker, for then you can't say your sole is your own.

A sure way to turn people's heads—just go late to church on next, or any other Sunday.

What, all over this great country, is reported to be in superb condition—standing thick on the ground—and of unusual promising growth.

Blair county radicals nominate candidates on the 7th day of August next. It is to be done by the "Crawford county system."

Country cousins may soon expect to be troubled with bugs—the June bugs that nature sends to eat up the vegetation—and big bugs from the city.

Do not allow a bird to be killed in your orchard this season. They compensate for your neglect to the trees. You do not know how much you owe them for the fruit you have.

The juice of lemon a day, taken in water, will cure the most obstinate case of neuralgia. No sugar should be taken, as it has a tendency to counteract the effects of the lemon juice.

MILLER & BOWSER, have just received at their spacious store room, a large and elegant stock of new spring and summer goods, and invite the public to call and examine them. Go and see them.

P. O. REMOVAL.—Major Washbaugh has entered upon his duties as postmaster of this place. The office has been removed to Shuck's new building, on Pitt street, two doors west of the Washington Hotel.

NEW ROAD.—A new road is being made between the towns of Riddlesburg and Hopewell. This is a much needed improvement, as it has been impossible, heretofore, to go from one place to the other without going "around by the bridge."

To dealers in liquors we would recommend the house of Little & Mechling, Pittsburg. This firm is represented by Mr. J. C. Kiser, formerly of this place. Joe is an excellent young man and will do the fair thing with his customers. Patronize him.

The rules governing the primary elections of the "Union Republican" party of Blair county state that "Democratic" shall not be allowed to vote at Republican nominating meetings. Super fluous, gentlemen. No Democratic would be seen in such company.

LEGAL TENDERS AND FRACTIONAL CURRENCY.—We are soon to have a new style of greenbacks and fractional currency. Let us hope that the coming "promises to pay" will be an improvement on those now in circulation, and not, like the new post-office stamps, inferior to the old issue.

SCHOOL FUND.—The Legislature appropriated for common schools \$500,000. The amount paid to County Superintendents is deducted from this amount, also some special appropriations, such as Normal Schools. The balance is then divided among the different districts of the State on the basis of the number of taxables, all districts receiving 50 cents per taxable.

RATHER ROUGH.—The Fulton Republican handles one of the "organs" of radicalism without gloves, and promises to say some ugly things if the aforesaid "organ" doesn't conduct itself in a genteel manner. "Our" Congressman is not complimented, either. "The combat deepens." Let 'er deepen!

LINDEN'S LETTERS.—We are sorry that we cannot give our readers one of "Linden's" interesting letters this week. He has gone sight-seeing—"But Linden saw another sight," and away he went after it. Still, Linden has promised, and his promises mean something. So our readers may look for another batch of his spicy letters ere long.

FEARFUL FALL.—On last Friday a man named Evans fell from the roof of one of the new houses belonging to the Kemble Coal and Iron Co., at Riddlesburg. He fell a distance of over thirty feet. No bones were broken but he received several internal injuries. He was conveyed to his home at Hopewell and is doing well.

LOOK-OUT FOR BARGAINS.—H. F. Irvine has just returned from the east with a splendid assortment of boots and shoes, and everything else in his line of business, which he will sell to his old and new friends, at a very small profit, for cash. Try the "Regulator's" system, and our word for it, he will sell you goods at prices that will give general satisfaction.

Now is the time to buy cheap wall paper at the Inquirer Book Store. They have sixty different kinds, selling at 10 cts to \$3.00 per roll. They will sell you paper cheaper than you can whitewash, and it will last you ten times as long. Go and see for yourselves.

CROUSE'S RESORT.—Do you want good cigars? If you do, go to Crouse's Resort. If you want good chewing tobacco, go to Crouse's Resort. If you want good smoking tobacco, of all the best brands, go to Crouse's Resort, next door to G. R. Oster & Co's Store, on Pitt street, where you will find Dan always ready and willing to accommodate his customers to the choicest and best brands of cigars and tobacco to be found anywhere.

One of the "organs" is informed that we did not republish the Fulton Republican's article on the Bedford post office for the purpose of injuring "our" Congressman. That little "unpleasant" he may settle with those whose expressed wishes he has so shamefully outraged. We copied that article, without comment, just for the purpose of informing our readers how the cat was jumping yonder way. We wouldn't injure a child, much less "our" illustrious Congressman! But a little ventilation is essential to health and happiness, Mr. "Organ." Muchly so.

A CARD.—To the Democracy of Bedford county.—Having been prevented by protracted sickness from making a canvas of the county, and being still confined to my house and unable to go abroad, I have, after consultation with as many friends as I have been able to see, come to the conclusion to withdraw my name from the list of candidates for Sheriff. I shall always be grateful to the kind friends in my own township and in other parts of the county who offered me their support. I return them my sincere thanks and hope they will approve the action I have just taken, in consideration of the circumstances. HENRY FLUCK, Woodberry, May 21, 1869.

A CARD.—To the Democratic Voters of Bedford county.—Upon consultation with my friends, and being unable, on account of sickness in my family to canvass the county, I respectfully withdraw my name as a candidate for Sheriff. To those of my friends who have urged my claims, I shall feel grateful for their support, and if at another time I shall offer myself as a candidate, I hope to merit your confidence and support. JOHN NELSON, Bedford tp., May 24th.

CHURCH CONSECRATION.—Trinity German Reformed Church of Friends Cove, just completed, will be, by Divine permission, consecrated to the worship of the true God, the Father, the Son, and the Holy Ghost, on Sunday, June 6th, 1869. Rev. E. V. Gerhart, D. D., President of the Theological Seminary of the German Reformed Church in the United States, has consented to be present and preach the dedicatory sermon. The ministers also of the Reformed Church in the county have all promised to attend and participate in the solemn services of the occasion. There will be confirmation and preparatory services in the Church on Saturday previous. Ministers of sister denominations, and the public generally, are most cordially invited to attend.

FROM BEDFORD TO SAN FRANCISCO. For the benefit of those contemplating a journey to San Francisco, we annex the following table of distances. Bedford to Mt Dallas, 67; Mt Dallas to Huntingdon, 55; Huntingdon to Pittsburg, 151; Pittsburg to Chicago, 468; Chicago to Omaha, 491; Omaha to Bryan, 858; Bryan to Ogden, 233; Ogden to Elks, 278; Elks to Sacramento, 465; Sacramento to San Francisco, 117.

The journey from Bedford to San Francisco can be made in about six days. A westward journey of thirty days will bring the traveler within sight of the shores of China.

CONCERNING CURRENCY.—Collectors of specimens of money will now do well to save a clean piece of each kind of fractional currency, as it is all to be called in and no more used. The new series will be entirely different, and the same is so of all the greenbacks that are to be issued hereafter. The quality of the paper is to be changed, and a new style is now in process of manufacture under government supervision. It is thought to be impossible to counterfeit the currency that is to succeed that now in use. New and different presses will be used in printing, and a part of the work will be done in some other city than Washington.

CLEARFIELD BANK ROBBERIES.—Two men were arrested in the edge of the woods, near Centreville, this county, on the 19th inst., by Deputy Sheriff Huzzard and John Delbaugh, believed to be the persons that broke into the County National Bank, of Clearfield, on the night of the 12th of May, and robbed said bank of \$15,000 in currency and \$4,500 in U. S. Bonds. These parties were brought to Bedford and lodged in jail. The officers of the bank were notified, and the Cashier of said bank, D. W. Moore, Esq., came on next day. In the meantime, P. L. Anderson and John B. Whip, of Centreville, had found a package containing \$4,500 in U. S. Bonds and \$60,000 in new postal currency secreted in a hollow stump within a few rods from where the parties were arrested. Messrs. Anderson and Whip immediately brought this money to Bedford, where it was identified as the property of the bank. On a preliminary hearing before Justice Nicodemus, the parties gave their names as J. M. Newman and Jacob Wilson. The one calling himself J. M. Newman endeavored to throw a way \$18,000 in new postal currency on his way to Bedford, but was detected by the Deputy Sheriff. District Attorney Kerr made an application to have them removed to Clearfield county for trial, and Sheriff Stockman was directed to convey them to the Clearfield county jail.

Nearly four thousand persons starved to death in London last year.

COLIN LOYER.—On Saturday last, this gentleman retired from the Post-mastership of this place and Maj. Daniel Washbaugh, the new appointee, entered upon his duties. Of the new man we shall say nothing, save that he has at various times filled public offices, and that he will no doubt discharge his present duty faithfully. The retiring officer, however, in justice, demands more than a passing notice. Mr. Loyer was appointed postmaster of this place, in 1848, by President Taylor, and served in that capacity until the inauguration of President Pierce, in 1853. His services as an efficient officer were so generally recognized, both here and at the Department at Washington, that when President Lincoln was re-elected, in 1864, he was again appointed Postmaster, to serve for four years. After the tragic death of the President, and the election of Andrew Johnson to that office and the annunciation of his policy for the restoration of the Southern States, Mr. Loyer supported the President, firmly believing that he was but carrying out the doctrine of peace and reconciliation, as repeatedly expressed by President Lincoln after the close of hostilities. Subsequently, when the breach between Mr. Johnson and the radicals in Congress ripened into open war, and culminated in the impeachment of that high official, Mr. Loyer was again found by the side of the President, with the full knowledge, too, that if Mr. Johnson be convicted, he (Mr. L.) would soon be deposed. But he chose rather to take the side of right, than to unite with the boisterous throng, clamoring for the conviction of a President who was but endeavoring to carry out his sworn duty. The President was acquitted, and Mr. Loyer retained his position as postmaster, giving perfect satisfaction until he retired. We but speak what all must concede in, when we say, in conclusion, that as a public servant, he has no truer superior in our midst. Success to him in whatever business he may engage hereafter.
