LAST NOTICE.—The books and accounts of the GAZETTE Office, have been placed in the hands of H. Nicodemus, Esq., for collection.

Hon. Geo. W. Cass is stopping at the Springs. We have no public school system now—it is vacation.

The Chestnut and Walnut crops are abundant in our county. The Katties have begun their quarrel as to who did and who didn't.

Solferino Crystals sold at Heckerman's drug store. Hon. Asa Packer is an honest man—"the noblest work of God."

An acre of buckwheat yields fourteen pounds of honey daily. Read the Advertisements—they are full of information.

Pure cider vinegar, very good, at Heckerman's drug store. Post no bills here!—has reference we take it to the militant mosquito, as well as to bill posters.

The blackbirds are causing id to flock, preparatory to their departure south. Bachelor exclamation around here—l! Maidenly ejaculation—ah men!

New oats is generally reported to be of full weight, and remarkably good in every respect. H. Heckerman and Son sell all kinds of dyes much cheaper than any one else.

Success is a duty—but our people often fall short of it. It is the fall that makes the mischief. All who want to by real estate expect to find it advertised in the BEDFORD GAZETTE.

The campaign has opened,—and the BEDFORD GAZETTE should be read by all who believe that "a white man is as good as a nigger."

The United States Treasurer has called in all the ten dollar notes owing to the successful counterfeiting of that denomination. Laboring men of Bedford county, if you want low taxes, good times, and an honest man for governor, vote for Honorable Asa Packer, the Boatman of the Lehigh.

A republican in Carbon county, says that two out of every five republicans in that part the state will vote for the Honorable Asa Packer. Our friends should remember that this fall we elect Ward and Township officers to take the places of those whose terms will expire in the Spring.

Nominate good men, it will strengthen the State Ticket. This summer is remarkable for its coolness—and has not been equalled on that line since 1816. We do not remember that far back, but, ancients tell us so.

The Greeks thought blackberries a preventive of gout. If the rule will hold good in our time we have enough left on our hillsides to preserve this country from the disease for a century to come. Dr. Paul Scheppe, having been denied a new trial, was on Friday last, sentenced to be hanged. The Court erred, an old citizen of Carlisle, named William Gauld, fell dead in the Court room as the sentence was pronounced.

SAD BEREAVEMENT.—A little daughter of Mr. S. C. Diehl, of this place, died on Sunday last from the effects of eating eight "worm-lozenges" the day before, which the child no doubt mistook for candies. BEDFORD COUNCIL, No. 202 U. O. A. M. was instituted on Thursday night, Aug. 19, 1869, by El Hallenger, D. S. C. assisted by Abner Manly, Fulton Council No. 35, M. S. Bower and John M. Major, Harrisburg Council No. 100. The following officers were installed: C. T. R. Gettys; V. C. Geo. Leader; R. S. W. G. Riffle; A. I. S. T. R. Kegg; F. S. Wesley Debaugh; T. Wm. Bowles; J. W. S. Fletcher; E. J. P. Cessna; S. P. Ed. Ferry; O. P. B. S. Fletcher. Trustees, C. N. Hickok, T. R. Gettys, W. G. Riffle.

MURDER IN BROAD TOP.—Pat. Mackey, a young miner, was layed and murdered, near Barnestown, last Saturday evening. This cool-blooded murder has shocked the whole Mining Region.—A gang of assassins waylaying a man near a populous village at 8 o'clock, P. M. It appears that the deceased, Mackey, refused to unite in the "Miners' Association," and hence come under the displeasure of its emissaries.

Four persons have been arrested, charged with the crime, and lodged in Huntingdon jail. One is yet at large, but will be followed up. Such is the liberal working of these "benevolent" societies, if a man declines to join them he must be waylaid and his skull broken with a ball of iron.

Do the farmers of Bedford county realize that three-fourths of the profits of farming is in the wheat crop alone? I've, oats and corn may all fail and still the farmer gets along, but let the wheat crop be a failure and how many make both ends meet at the end of the year? How important then is it to have your ground seeded at the right time and in the best way. To do this, you must own a good drill, one that will sow regularly, on all kinds of ground and that will not break, on our rocky and stumpy fields.

Thousands of farmers will testify that the Willoughby Gum Spring Drill, sold by Hartley & Metzger, sole Agents for this and adjoining counties, is the only Drill that will do this. A NOTICEABLE FACT.—That one way of appealing to a man's reason is through his eye. In these busy times men are so deeply immersed in the conduct of magnificent projects, that they forget all about the condition of their system, and hence it is that the Proprietors of the Plantation Bitters, which cures Dyspepsia, purifies the blood, improves the tone of the stomach, regulates the bowels, and, indeed invigorates the whole inner man, are so active in advertising. In fact, advertisements are merely sky-rockets sent up to attract attention to a really good article.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price. Dr. Paul Scheppe, having been denied a new trial, was on Friday last, sentenced to be hanged. The Court erred, an old citizen of Carlisle, named William Gauld, fell dead in the Court room as the sentence was pronounced.

SAD BEREAVEMENT.—A little daughter of Mr. S. C. Diehl, of this place, died on Sunday last from the effects of eating eight "worm-lozenges" the day before, which the child no doubt mistook for candies. REVIEW OF THE MARKETS. Corrected every week.

Mr. O'Neil emigrated from this county to Tennessee in April last, and after an illness of about ten days departed this life on the 12th inst. He was buried in the Cemetery at Cleveland, Tenn. A funeral service was preached at his grave.

May God send him peace and bereavement and tremore guide them in their paths of duty.

MILL-TOWN, two miles West of Bedford, comprising everything usually found in a first-class country store consisting, in part, of

Dry-Goods, Delaines, Calicoes, Muslins, Cassimers, Boots and Shoes, Groceries, Notions, &c., &c.

All of which will be sold at the most reasonable prices. Thankful for past favors, we solicit a continuance of the public patronage. my24, 67. G. YEAGER.

LET EVERY MAN, WOMAN AND CHILD READ THIS! Their own interests are at stake in this matter. Everybody has suffered so much from the accused CREDIT SYSTEM, if system it can be called, that I intend to offer to everybody a panacea for the evil in the future.

On and after the 1st day of June, 1869, I will sell goods EXCLUSIVELY FOR CASH OR PRODUCE. No doubt some customers may be lost to me, but I flatter myself that it will be only those from whom I cannot collect present accounts. All goods will be sold at about one-half the profit now paid by consumers. The people often complain of Bedford prices being higher than elsewhere, and it is difficult to see some extent for the reason that good customers have had to pay for their goods with an additional profit on their own.

Let an intelligent community sustain me in this enterprise and they WILL SAVE FROM TEN TO FIFTEEN PER CENT. ON EVERYTHING THEY CONSUME. H. F. IRVINE. my12w4
