WHEAT. WHEAT.
Genuine
PHOSPHO PERUVIAN
OR
MANIPULATED
GUANO

A COMPOUND OF CHOICE PERUVIAN AND PHOSPHATIC GUANOS WITH ALKALINE SALTS MINUTELY COMBINED.

This Guano is especially commended to the Planter of St. Mary's county, as equal if not superior to any manure (not excepting Peruvian Guano) in the production of Wheat of superior quality and equal to any other manure in the production of Corn and Virginia tobacco. For many years past quantities of this Guano have been sold—greatly improved since the war, it has met with unqualified praise. The Ammonia and Phosphate of Lime are properly proportioned to perfect crops and add value to land. No such manure can be produced to promote the growth of grass—improvement must therefore follow—use nothing but best material and all Planters are invited to inspect our material and manufacture.

A trial of this valuable Guano is earnestly solicited. Circulars attesting can be had on application to the undersigned or agencies.

Sherwood House
AND
LINING ROOMS,
ON THE EUROPEAN PLAN,
Corner of Fayette and Harrison streets,
(opposite the Maryland Institute.)
Baltimore,
Md.
THE above well known House has recently been opened by C. P. Barnard, formerly of the American Hotel, Washington, D. C., and has capacity to accommodate over a hundred people with lodging, and has spacious and nicely furnished rooms for families. Connected with the House also is a ladies' dining room. The strictest order is maintained and accommodation always at call. The House is open at all hours. The advantage of a Hotel upon the plan of the Sherwood House is, that the guest can accommodate the price of his living to his own wishes, paying only for what he gets. The Sherwood House has recently been newly furnished and refitted, and, being in a central and business part of the city, offers unusual inducements to travellers. A fair trial is asked, and patronage from St. Mary's county solicited.

1869. "THE AGE."
1869. CIRCULATE THE DOCUMENTS!

A Daily and Weekly Democratic Journal in Philadelphia.
Improvements in Every Department, Political, Literary, Commercial, Financial and Agricultural!

The Publishers of the Age beg to call the attention of the Democratic and Conservative masses to the Daily and Weekly issue of their popular journal. The importance of circulating newspapers among the people cannot be too highly estimated. This is thoroughly appreciated by our opponents, and nothing is left undone by them to accomplish this purpose. We should not be behind them in this great work. The general dissemination of sound political information must result in great good to the Democratic party. Wherever Radicalism sends its poison, let us be prompt in furnishing the antidote! We have just finished an exciting political struggle, and the Democratic party, vigorous and undismayed, is now ready to begin the fight again, and to fight on until victory crowns our efforts.

One of the most powerful energies in securing victory is the Democratic press of the country, and every man who can afford to subscribe to a Democratic newspaper should at once do so. The Daily Age will continue to be in the future what it was in the past—the earnest defender of the Union and the Constitution—the bold and fearless advocate of Democratic Principles—and the constant and unyielding foe of Radicalism in every form that it presents itself to the people. It will contain the latest news from all parts of the world, discussions of all subjects of general interest and importance; editorial comments on Government, Politics, Trade, Finance, and all the current questions of the day; and will have all the characteristics of a live, leading, progressive journal.

The Weekly Age will be a complete compendium of the news of the week, and will contain a large quantity of original political, literary, agricultural, and miscellaneous matter, making it in all respects a first-class family journal, as well for the politician as the general reader.
Terms of the Daily—One copy, one year, \$9.00; six months, \$4.50; three months, \$2.50; for any less period at the rate of one dollar per month. Payment required invariably in advance. Postage on the Daily thirty cents per annum, to be prepaid at the office of delivery.
Terms of the Weekly—One copy one year, \$2; five copies, one year, \$9; ten copies, one year, \$17.50; twenty copies, one year, \$33. Postage on the Weekly, five cents per quarter, or twenty cents per annum, to be pre-paid at the office of delivery.

In order to place The Weekly within the reach of all, the publishers present the following extraordinary low Club Rates:—
One Hundred copies, one year, all addressed to one person \$100 and one copy extra to the getter up of the club—additional copies at the same price.
Seventy five copies, one year, all addressed to one person \$75.00 and one extra to the getter up of the club—additional copies at the same price.
Fifty copies, one year, all addressed to one person \$50.00 and one copy extra to the getter up of the club—additional copies at the same price.
Forty copies, one year, all addressed to one person \$40.00 and one copy extra to the getter up of the club—additional copies at the same price.
Thirty copies, one year, all addressed to one person \$30.00 and one copy extra to the getter up of the club—additional copies at the same price.
Twenty copies, one year, all addressed to one person \$20.00 and one copy extra to the getter up of the club—additional copies at the same price.
Ten copies, one year, addressed to one person \$16.50 and one copy to the getter up of the club—additional copies at the same price.
Five copies, one year, all addressed to one person \$8.50. These prices, which are cash invariably in advance, apply only to the yearly subscribers, and the papers must, in every case without exception, be sent to one person, and not addressed severally to the members of the club. It will be observed that our offer of an extra copy to the getter up of a club, refers only to a club of ten or more.

The above terms will be rigidly adhered to. Drafts on Philadelphia, or Postoffice Orders, payable to the order of the Publishers, being safer, are preferable to any other mode of remittance. All who send money by express must pre-pay express charges. Specimen copies of the Daily and Weekly sent gratis, on application at this office. Advertisements inserted on moderate terms. Address
