Sherwood House
AND
LINING ROOMS,
ON THE EUROPEAN PLAN.
Corner of Fayette and Harrison streets
(opposite the Maryland Institute.)
Baltimore, Md.

THE above well known House has recently been opened by C. P. Barard, formerly of the American Hotel, Washington, D. C., and has capacity to accommodate over a hundred people with lodging and has capacious and nicely furnished rooms for families. Connected with the House also is a ladies' dining room. The strictest order is maintained and accommodated servants always at call. The House is open at all hours. The advantage of a hotel upon the plan of the Sherwood House is, that the guest can accommodate the price of his living to his own wishes, paying only for what he gets. The Sherwood House has recently been newly furnished and refitted, and being in a central and business part of the city, offers unusual inducements to travellers. A fair trial is asked, and patronage from St. Mary's county solicited.

Agent.

SOLUBLE PACIFIC GUANO,
IMPROVED IN QUALITY & CONDITION.
THE quality of this Guano is materially improved this season, and the result is to its composition of a large per cent. of the Salts of Potash.

It is improved in condition by being brought into market with the most perfect machinery, to pass with facility and accuracy through the sieves of the mill.

WHEAT DRILL.
More than 50,000 acres is involved in the production of this grain, and the tools in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintenance of the quality of its Guano than any number of consumers can have; hence no approximation need exist as to its genuine reliability.

H. T. HELMBOLD'S
COMPOUND FLUID
EXTRACT CATAWBA

GRAPE PILLS.
Compound Paste—Fluid Extract Root and Fluid Extract Catawba Grape Juice.

For Liver Complaints, Jaundice, Bilious Affections, Sick or Nervous Headache, Constipation, etc. Purely Vegetable. Containing no Mercury, Minerals or Deleterious Drugs.

These Pills are the most delightfully pleasant purgative, expelling castor oil, salts, sugar, etc. There is nothing more acceptable to the stomach. They give tone and energy, without causing griping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated, who suffer from impure blood or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. THE CATAWBA GRAPE PILLS, being pleasant in taste and odor, do not necessitate their being sugar-coated. PRICE FIFTY CENTS PER B.O.X.

HENRY T. HELMBOLD'S
HEMILY CONCENTRATED COMPOUND
Fluid Extract Sarsaparilla

Will radically exterminate from the system Stricture, Syphilis, Liver, Scurvy, Ulcers, Skin Eruptions, Sore Throat, Sore Mouth, Sore Head, Rheumatism, Skin Diseases, Salt Rheum, Gonorrhoea, Scalding of the Face, White Swellings, Tumors, Cancerous Affections, Nodules, Eruptions, Glandular Swellings, Night Sweats, Rash, Tetter, Eruptions of all kinds, Chronic Rheumatism, Dyspepsia, and all diseases that have been established in the system for years.

Being prepared expressly for the above complaints, its blood-purifying properties are greater than any other preparation of Sarsaparilla. It gives to the complexion a clear and healthy color and restores the patient to a state of health and purity. It purifies the blood, removing all chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of pains and swelling of the bones, ulcerations of the throat and legs, blotches, pimples on the face, erysipelas and all scaly eruptions of the skin, and beautifying the complexion. Price, \$1.50 per bottle.

HENRY T. HELMBOLD'S
CONCENTRATED
Fluid Extract Buchu,

THE GREAT DIURETIC.
Has cured every case of DIABETES in which it has been given, irritation of the neck of the bladder and inflammation of the kidneys and bladder, retention of urine, diseases of the prostate gland, stone in the bladder, calculus, gravel, brick-dust disease, and many other diseases, and for encumbered and delicate constitutions of both sexes, attended with the following symptoms: Indisposition to exertion, loss of power, loss of memory, difficulty of breathing, weak nerves, trembling, horror of disease, wakefulness, dimness of vision, pain in the back, hot skin, flushing of the face, dryness of the skin, eruption on the face, puffiness of the face, universal lassitude of the muscular system, etc.

Helmbold's Extract Buchu is Diuretic and Blood-purifying, and cures all diseases arising from habits of dissipation, and excess and impurities in the impurities of the blood, etc., in all their stages, at little expense, little or no change of diet, no inconvenience, and no exposure.

Thousands who have been the victims of impostors, and who have paid the most exorbitant prices to be cured in a short time, have found they have been deceived, and that the "Poison" has been in the use of "powerful astringents," been dried up by the system, to break out in a more aggravated form. Price, \$1.50 per bottle.

Henry T. Helmbold's Improved Rose Wash cannot be surpassed as a Face Wash and will be found the only specific remedy in every species of Cutaneous Affection. It speedily eradicates Pimples, Spots, Scarcular Diseases, Inflammations of the Cutaneous Membrane, etc., dispels Redness and Inflammation, Bites, Rash, Itch, and all eruptions of the Skin, and the most Superlative and Congenial character, combining in an elegant formula those prominent requisites, purity and softness, and insures continued healthy action to the tissue of the system, on which depends the agreeable clearness and vivacity of complexion so much sought and desired. But however valuable as a remedy for existing defects of the skin, H. T. Helmbold's Rose Wash has long sustained its principle claim to unbounded patronage, by possessing qualities which render it a Tonic, and give it the most Superlative and Congenial character, combining in an elegant formula those prominent requisites, purity and softness, and insures continued healthy action to the tissue of the system, on which depends the agreeable clearness and vivacity of complexion so much sought and desired. Evidence of the most responsible and reliable character is furnished on application, with hundreds of thousands of living witnesses, and upwards of 30,000 signed certificates and recommendations, letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, etc. The proprietor has never resorted to their publication in the newspapers, but has not done so, from the fact that his articles rank as Standard Preparations, and do not need to be propounded by certificates.

MARYLAND LIFE
INSURANCE COMPANY.

THE progress of Life Insurance in the United States proves this great growing triumph of modern science and philanthropy to be one of the marvelous features of our social economy.
The wisdom of all ages has devised nothing that compares with it. It is so manifestly good, that it is difficult to see how an intelligent man, with proper concern for the comfort and protecting of his family, can fail to avail himself of its benefits.
Life Insurance leaves ready money to set to rest to advantage. It will prevent a sacrifice of property if a man die in debt. It is subject to no tax during life, nor Orphan's Court expenses after death. It is exempt by law from debt. It is rapidly becoming a rule that all men of just attributes insure.

Our Maryland Company commends itself to the confidence and patronage of our people in all parts of the State. Its directors are men of known integrity and ability, to whom the public may have confidence for a just and careful supervision of its affairs. It must be clear to every intelligent mind that, if we would secure the largest property to our State and people individually, we must build up our institutions and keep our capital at home.
Had the five million dollars sent out of the State annually for insurance been invested at home, it would have been favorably upon our own people and country. This is especially our opportunity to afford the opportunity for all to insure without sending the money out of our own State. The affairs of the Company are managed with economy.

Such has been our marked success that we were able after the second year to make and pay in cash as large dividends as the oldest and largest company in the United States. The Company feel greatly encouraged by the patronage and co-operation they have received, and solicit a continuance of the same. The laws of trade, commerce, self-respect and self-interest combine to make this the Company for us.

Now, dear sirs, in view of all the advantages of Life Insurance as an investment—the uncertainty of life—the strong claims of wife and children upon husband and father—the uncertainty of business, and all the ordinary forms of investment—it is not the moral duty of every man to put something in a form that will prevent his wife and children from the part of those he loves?
By all means insure, and do it at once in the Maryland Company. The officers of this Company are:
GEO. P. THOMAS, President.

A. K. FORD, Secretary.
BOARD OF DIRECTORS:
Hamilton Foster, Geo. H. Hillner,
Allen A. Chapman, Thomas Casard,
Geo. P. Thomas, William Devries,

Judge Magruder, Judge Ford, Judge Mason, Hon. Fred Stone, Barnes Compton and Editor of Beacon.
A. J. MYERS, State Agent, will be in Leonardtown during the first week of Court to transact the business of the company, and will also insure property in Baltimore Company.
