To Tobacco Planters
Fourteen years experience in growing Tobacco by the planters of Maryland and Virginia, has convinced the most skeptical, that Excelsior is an equal in growing and maturing that crop. It is now their unanimous opinion that from the application of Excelsior, the crop is heavier, of finer quality, cures earlier and better, and is not so liable to suffer from drought as from Peruvia Guano. We refer to every planter in Maryland.
Uniformity of quality guaranteed by the Manufacturer.

Price \$60 per ton.
J. J. TURNER & CO., No 42 Pratt Street.
CAUTION—The popularity of "Excelsior" as the only reliable substitute for Peruvia Guano has induced unscrupulous parties in this and other cities to use the name "Excelsior" to sell their worthless compounds. Every bag of genuine "Excelsior" has our name on it in Red Letters. All others are counterfeits.
