Iron in the Blood

PERUVIAN SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an emulsion and easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by restoring vigor, and revitalizing the system. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, Opium, and all other energizing effects are not followed by corresponding reactions, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men. Aches, pains, and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.

NEW GOODS.

THE subscriber has just returned from Baltimore with a new and complete assortment of DRY GOODS, READY-MADE CLOTHING, BOOTS, SHOES, HATS, FURNISHING GOODS, etc., etc., and GROCERIES of all kinds at the old stand, formerly occupied by Mrs. Hammett. Particular attention is called to my stock of Ready-made Clothing which I can sell lower, than any other merchant in the county, the quality and make of the goods being considered. A large and carefully selected assortment of CASSIMERES, also, on hand. Persons wishing clothing made to order can be accommodated and I can supply them with all necessary trimmings. I have determined to sell all classes of goods as LOW AS THEY CAN BE BOUGHT of any merchant in the county. Call and examine my stock before purchasing elsewhere.

WORLD RENOWNED NEW SINGER Sewing Machine.

THE magnitude to which the Sewing Machine business has grown is fully attested by the rivalry of the various competitors, few of whom are familiar with the numerous artifices resorted to for the commendation and sale of the particular machine sought to be sold. If the number of sales by any criterion, it cannot be denied that the Singer, owing to the popularity of what is known as the "New Family" machine, far surpasses all others, for the Singer Company sell over one thousand more machines last year than any other Company in the world, as shown by returns of the different Companies. I will visit around and repair all machines sold by me free of charge. Call and examine or address

Attention Farmers!

I am now prepared to furnish plants with my Patent Tobacco Prize, upon the most reasonable notice. This Prize is now being given generally in this locality and has, so far, given universal satisfaction. The advantages it possesses over all other Prizes now in use are too varied and manifold to admit of description in this advertisement. It is conceded by all who have used it to be a great economizer of labor, and it is estimated that it places tobacco in market in a condition very superior to that of any other Prize now in use.

Price with railway attachment, per pair two hids. alternately, \$80. Without railway, \$50.

This is a Home Company, gotten up expressly in the interest of the citizens of Southern Maryland, to enable them to overcome the difficulties they experienced in procuring Insurance in the ordinary Insurance Companies, with a majority of its Directors well known in that community.

It has been in business long over four years. All losses accrued, and they have been promptly paid, which is our best guarantee for the future.

The plan adopted is the safest and cheapest known in Insurance, and affords to all insurance at its exact cost, and ought to be encouraged by all who wish to protect themselves against loss or damage by fire.

If interested, will get it their patronage and interest themselves in the increase of its business, in a few years it will rank among the largest Insurance corporations in Maryland, a credit and benefit to all, and an honor to the State.
