WORLD RENOWNED NEW SINGER Sewing Machine.

THE magnitude to which the Sewing Machine business has grown is only surpassed by the rivalry of the various competitors, few of whom are unfamiliar with the numerous artifices resorted to for the commendation and sale of the particular machine sought to be sold. If the number of sales be any criterion of the merits of the different machines, it cannot be denied that the Singer, owing to the popularity of what is known as the "New Family" machine, surpasses all others, for the Singer Company sold over fifty-two thousand sewing machines last year than any other Company in the world as shown by returns of the different Companies. I will visit around and repair all machines sold by me free of charge. Call and examine my stock before purchasing elsewhere.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protosalts of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and is accompanied by the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon. This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaints, Dropsy, Chronic Diarrhea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by corresponding weakness of the system. Being free from Alcohol, in any form, its enervating effects are not followed by corresponding weakness, but are permanent, infusing strength, vigor, and new life into all parts of the system, building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids, who hesitated to give it a trial.
