To Wheat Growers. "EXCELSIOR,"

Forming the most concentrated, universal and desirable fertilizer ever offered to the farmer—combining all the stimulative qualities of Peruvian Guano, and the ever durable fertilizing properties of Bones. Excelsior is in fine dry powder, prepared expressly for drilling, and can be applied in any quantity, however small, per acre; and it is the opinion of many successful calculating Farmers, after FOURTEEN years experience in testing it side by side with other popular fertilizers, that an application of 100 pounds of Excelsior is equal to from 200 to 300 pounds of any other fertilizer or guano offered for sale, therefore is fully 100 to 200 per cent cheaper.

Look out for imitations and counterfeits. The popularity of Excelsior has induced unscrupulous parties in this and other cities to copy out to us, and resort to other dishonorable means to sell their worthless compounds.

Iron in the Blood. PERUVIAN SYRUP. MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protocarbonate of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures a thousand ills, simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by corresponding derangement of the system. Being free from Alcohol, in any form, its purifying effects are not followed by corresponding reactions, but are permanent, invigorating strength, vigor, and new life into all parts of the system, building up an Iron Constitution.

Thousands have been changed by the use of this remedy from weak, sickly creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free. SETH W. FOWLE & SONS, Proprietors, No. 1 Milton Place, Boston. Sold by DRUGGISTS EVERYWHERE.

FIRE! FIRE! FIRE! DWELING, FURNITURE, BARN, SHED, HOUSE, FARM BUILDING, &c., insured on the Mutual Plan by the

STATE OF MARYLAND MUTUAL FIRE Insurance Company OF BALTIMORE, Office No. 17 South street. B. G. HARRIS, President. DIRECTORS: S. H. Canby, Noah Walker & Co., J. P. George, George & Jenkins, J. T. Green, Anderson & Bro., John Stack, Carpenter, Builders, H. M. George, Court of Appeals, George P. Jenkins, Charles county, George Combs, St. Mary's county, B. G. Harris.

This is a Home Company, gotten up expressly in the interest of the citizens of Southern Maryland, to enable them to overcome the difficulties they experienced in procuring insurance in the ordinary Insurance Companies, with a majority of its Directors well known in that country.

It has been in business two or four years. All losses accrued, and they have been unusually large, have been faithfully and promptly paid, which is our best guarantee for the future.

The plan adopted is the safest and cheapest known to insurance, and affords to all insurance at its exact cost, and ought to be encouraged by all who wish to protect themselves against loss or damage by fire.

If those interested in getting the patronage and interest then selves in the increase of business, in a few years it will rank among the largest Insurance corporations in Maryland, a credit and benefit to all, and an honor to the State.

WORLD RENOWNED NEW SINGER Sewing Machine.

THE magnitude to which the Sewing Machine business has grown is only unsurpassed by the rivalry of the various competitors. A few of whom are unfamiliar with the numerous artifices resorted to for the commendation and sale of the particular machine sought to be sold. If the number of sales be any criterion of the merits of the different machines, it cannot be denied that the Singer, owing to the popularity of what is known as the "New Family" machine, surpasses all others; for the Singer Company sold over fifty-two thousand more machines last year than any other Company in the world, as shown by returns of the different Companies. I will visit around and repair all machines sold by me free of charge. Call and examine my stock.
