GREAT DISCOVERY! BRADLEY'S PATENT ENAMEL PAINT, MADE FROM PURE WHITE LEAD, LINSEED OIL AND ZINC CHEMICALLY COMBINED

Will last three times as long as the best lead and oil mixed in the ordinary way. ALWAYS READY FOR USE. SOLD BY THE GALLON. One Gallon Covers Twenty Square Yards Two Coats.

LEONARDTOWN, Md., September 27, 1873. C. P. KNIGHT, Esq. - Agent for Bradley's Patent Enamel Paint. - Dear Sir: We have made a fair, indeed we believe, a thorough experiment with the Enamel Paint for which you are Agent, having used it some twelve months ago in boat painting and for other purposes, and we take pleasure in stating, that it has surpassed our expectations, and also the representations that have been made of it in point of good looks, durability and cheapness. Others in our village, who have used it, (we mention Mr. Herbert Moore of the Washington Hotel as among the number) bear willing testimony to its manifold merits and advantages. Respectfully, KING & DOWNS, Eds. BRACON

DARNESTOWN, MONTGOMERY CO., Md., Oct. 6, 1873. Mr. C. P. KNIGHT, Sole Agent for Bradley's Patent Enamel Paint, Dear Sir: I received your favor of the 3rd instant, asking my opinion of the "Bradley Patent Enamel Paint," for which you are agent. It affords me much pleasure to add my testimonial with many others of its value and thorough adaptation to the rural districts especially. Having a practical experience of thirty years in preparing plans and building with all branches of artisans and mechanics, and used most of the material for painting, I was induced to try "Bradley's Patent Enamel Paint," owing to its portability, being mixed of all shades, and quantities to suit. I applied it for inside and outside work, and found it dried thoroughly, covered the surface perfect, and dried with a beautiful enamel luster, and covered 20 square yards two coats. I have recommended its use to others in the City of Washington and Lower Maryland with equal satisfaction and good results. Mixing colors by "ordinary" mechanics, is not often done to the satisfaction of "Proprietors," and this Paint being "already mixed" of all desired shades, and frequently to suit, renders it more desirable in rural districts. I cheerfully recommend its general use, and feel assured that all who use it will be satisfied, that it is all that is claimed - Durable, Beautiful and Economical. Yours respectfully, JNO. L. DU FIFE.

FROM HON. JOHN WETHERED. Mr. C. P. KNIGHT: - At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface, than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor. Yours respectfully, JOHN WETHERED.

THE PLAINS, FAUQUIER COUNTY, VA., Feb. 6, 1873. Mr. C. P. KNIGHT: - The Paint came safely to hand as ordered - two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks (not counting work) completed the house two coats. The best coat I applied thick, and it is now generally conceded that for outside-like hardness, and body, and harmony of colors, there is not a hand-painter in the place. I saved \$65 by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never doubted in such stock as Testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellence of material, in beauty of color, and in the fact of its being "ready mixed," that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter. Very respectfully and truly, S. MCGILL, M. D.

BALTIMORE, December 27, 1871. Mr. C. P. KNIGHT, Esq., Agent for Bradley's Patent Enamel Paint: - Dear Sir: - The paint you purchased from you will be cheerfully endorsed as the best of any kind I have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss, which must, we think, resist the action of all kinds of weather. This is our experience and we can recommend it with certainty, and intend to use it on all occasions where we desire a good job of work. Very respectfully, EMMART & QUARTLEY, 276 W. Balt. st.

BALTIMORE, December 10, 1873. Mr. C. P. KNIGHT: - Dear Sir: It affords me much pleasure to say to you that the Bradley Patent Enamel Paint far exceeds my expectation in economy and beauty, and I have every reason to believe, in durability. More than twelve months since, I painted the roof of my (Hotel Mansion House) with the Bradley Patent Enamel Paint, and I was so well pleased with it, I determined to paint the outside of the Hotel, and am most happy to say it gives me perfect satisfaction. In conclusion I will say, if this testimonial will be of any advantage to you, you are at liberty to use it. Yours most respectfully, ISAAC ALBERTSON, Mansion House Hotel, N. W. Cor Fayette and St. Paul Streets, Baltimore.

To THE PUBLIC: - It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and to testify to its superiority over any and all other points for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and as fresh as when first put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purposes; its quick drying properties, which saves much time in the execution of work where paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate. WM. E. SINN, Baltimore, April 25, 1872. Front Street, Theatre.

C. P. KNIGHT: Dear Sir: - Having given your paint a test of six months, I take pleasure in saying that it comes fully up to your representation, and I think looks as well now as when first applied. It retains its gloss and color perfectly, and I think will outlast any other paint I have ever seen. Very respectfully, MURRY ADDISON

FEL. AIR, MARYLAND, March 4, 1872. Mr. C. P. KNIGHT: - Dear Sir: I have been using Bradley's Patent Enamel Paint, and am happy to say that it gives entire satisfaction wherever I have used it, and to parties to whom I have furnished it for other painters to me. Mr. John A. Street, who lives near Clermont Mills, to whom I furnished the Bradley Patent last fall, is much pleased with it, and gives permission to use his name in recommending so good a paint. S. H. Montague, painter, agrees with me as to the durability of your most excellent paint. I hope parties who have painting to do, will look to their advantage and apply Bradley's Patent Enamel Paint, which is the most durable paint now in use. It looks its gloss longer than any other paint that I have ever used. Yours, truly, E. C. GARRETTSON, House and Sign Painter.

MARYLAND LEE, BELTMOORE COUNTY, Md., September 24, 1872. C. P. KNIGHT, Esq. - Agent for Bradley's Patent Enamel Paint, Baltimore: - Dear Sir: The paint which I purchased from you has given entire satisfaction, so much so that all my neighbors intend to follow my example, and have their houses painted. It is not only durable and cheap, but it looks better after it is put on, than any paint I ever saw. The painter I have employed is delighted with it. He says that he can paint twice as fast, and at the same time do a better job, with the Enamel Paint, than any other paint he ever used. I can therefore without hesitation recommend to the public as one of the very best articles of paint ever introduced. Yours, very truly, JAMES HALL

BALTIMORE, September 30, 1872. C. P. KNIGHT, Esq., Dear Sir: - I have had the Bradley's Patent Enamel Paint, which I purchased from you I used inside and outside, both at my dwelling and store, or two commendations in facility of use, economy, durability and beauty. Yours, truly, THOMAS J. IRVING, 165 West Baltimore street.

BALTIMORE, September 16, 1872. C. P. Knight, Esq.: Dear Sir: - I used the Bradley Paint on our dwelling in Howard county in October last and the color is good, and surface as glossy now, as it was when first put on. If I ever have to paint again, I shall certainly use it. Yours truly, DANIEL M. WORTHINGTON, Secretary Baltimore Branch Security Life Insurance Co., 35 P. O. Avenue.

FREEMANVILLE, HARBOR COUNTY, Md., Feb. 25, 1873. Mr. C. P. Knight: - Dear Sir: I am very happy to inform you your Patent Enamel Paint has given entire satisfaction. I prefer it to any Paint I have ever seen used, and accord it for durability and beauty, so permanent to any other. Very respectfully, R. DICKEY, M. D.

THE SUN.

WEEKLY, SEMI-WEEKLY, AND DAILY. THE WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have already given it fifty thousand subscribers, and which will, we give it many thousands more, are briefly as follows: - It is a first-rate newspaper. All the news of the day will be found in it, condensed when important, at full length when of moment, and always presented in a clear, intelligible, and interesting manner. It is a first-rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste. It is a first-rate story paper. The best tales and romances of current literature are carefully selected and printed in its pages. It is a first-rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department. It is a first-rate political paper. Belonging to no party and wearing no color, it fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that threaten to undermine republican institutions altogether. It has no fear of knives, and asks no favors from its supporters. It reports the fashions for the ladies and the markets for the men, especially the cattle-markets, and publishes the most reliable and accurate information. Finally, it is the cheapest paper published. - One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year. We have no traveling agents.

THE WEEKLY SUN: - Eight pages, fifty-six columns. Only \$1 00 a year. No discounts from this rate. THE SEMI-WEEKLY SUN: - Same size as THE WEEKLY SUN, at a discount of 20 per cent. to clubs of 10 or over. THE DAILY SUN: - A large four-page newspaper of eight columns. Daily circulation over 120,000. Subscription price 50 cents a month, or \$6 00 a year. To clubs of 10 or over, a discount of 20 per cent. Address: "THE SUN," New York City. Nov. 13, 1873-6t.

This is a Home Company, gotten up expressly in the interest of the citizens of Southern Maryland, to enable them to overcome the difficulties they experienced in procuring insurance in the ordinary Insurance Companies, with a majority of its Directors well known to that community. It has been in business now over four years. All losses accrued, and they have been unusually large, have been faithfully and promptly paid, which is our best guarantee for the future. The plan adopted is the safest and cheapest known in insurance, and affords to all insurance at its exact cost, and ought to be encouraged by all who wish to protect themselves against loss or damage by fire. If those interested will get it in their patronage and interest themselves in the increase of its business, in a few years it will rank among the largest Insurance corporations in Maryland, a credit and benefit to all, and an honor to the State.
