LET US HAVE THE BEST.
WORLD RENOWNED NEW SINGER Sewing Machine.
THE returns of sales of the different sewing machines, during last year, show the "Singer Machine" to be by far the most popular of all in the market, the number sold being 181,290, out of a total of 610,194, of twenty-five different patterns. It appears, too, that the Chicago Relief Committee, which undertook to furnish sewing machines to persons needing them, supplied 2,427 Singer machines against 517 of other kinds. This preference for the Singer machine due to its intrinsic superiority, and seems likely to be maintained against all competition. I will visit around and give all instructions to persons purchasing of me free of charge. All of the extras furnished by me.

CHRISTMAS! CHRISTMAS!
NEELING flattered by the liberal patronage I have received since my recent opening in Choptico, I must return my thanks to the people and beg leave to call their attention to new CHRISTMAS SUPPLIES, such as Candles, Nuts, Apples, Lemons, Oranges, Fireworks, &c. Also all other goods kept in a country store.
My business is done upon cash or its equivalent which, together with the decline in goods, enables me to sell them almost as low as before the war.
I also desire to call attention to a superior Rye Whiskey I am selling, and ask a call.
Very respectfully,
A. BURROUGHS, Jr.
