"WE And Our NEIGHBORS"
Is the latest and richest work by Harriet Beecher Stowe, Author of "Uncle Tom's Cabin," "The Minister's Wooing," "My Wife and I," and other powerful stories, each the literary gem of its period; and this story promises a like genuine and wholesome sensation. It bears directly on social topics of interest, embracing the romance of youthful companionship, the brightness of happy home-life, the epic complications of neighborhood associations, and such follies and profound domestic miseries as have led to the widespread Temperance movement of the day.
Mrs. Stowe is now in the prime of that genius which wrote "Uncle Tom's Cabin," ripened by years of study and observation. Her novels are immensely popular. "Uncle Tom's Cabin" alone, selling by hundreds of thousands, has made an original work ever published—save the Bible. Her book two years ago, "My Wife and I," outdid every contemporary. Such a pure and noble story as "We and Our Neighbors" should be read in every home. This new Serial is now running exclusively in the
Weekly Family Newspaper, The CHRISTIAN UNION, Henry Ward Beecher EDITOR.
In religious matters this paper is Evangelical and unsectarian; in political affairs, independent and outspoken. It contains the best articles, and both short and serial stories, from the foremost writers; it aims to maintain the highest standard in Religion, Literature, Poetry, Art, Music, Science, News, Politics, Household and Family Affairs, with Stories, Rhymes, Puzzles for the Children, etc. Nothing is spared to make it a COMPLETE Newspaper for the Family, pure, attractive, wide-awake, and up with the times—a journal, interesting to every one in the household, young or old. WALKER'S CALIFORNIA VINEGAR BITTERS
Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked: "What is the cause of the unparalleled success of WALKER'S BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable power of restoring to the human system, sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.
The properties of DR. WALKER'S VINEGAR BITTERS are Astringent, Diaphoretic, Carminative, Sedative, Laxative, Bile, Sedative, Counter-irritant, Sudorific, Alterative, and Anti-Bilious.
Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Remedy that ever sustained the sinking system.
No Person can take these Bitters according to directions, and remain long unwell, provided their bowels are not destroyed by mineral poisons, or other means, and vital organs wasted beyond repair.
Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Florida, James and many others, who have their vital organs, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essential and necessary. This is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark, bilious, fecal matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
Fortify the body against disease by the use of WALKER'S VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Congestion of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the result of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.
Scrofula, or King's Evil, White Swelling, Boils, Eruptions, Swelled Neck, Gout, Rheumatism, Inflammation of the Skin, Humors, Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Scabies, &c. In these cases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate cases.
For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, and all other humors, such Diseases are caused by Vitiated Blood.
Mechanical Diseases.—Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters, and all who are exposed to the dust of the streets, or to the fumes of the blast-furnaces, should take a course of WALKER'S VINEGAR BITTERS occasionally.
Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectively destroyed and removed. No system of medicine, no vermifuge, no anthelmintics will free the system from worms like these Bitters.
For Female Complaints, in young or old married or single women, of Sembrance, or the turn of life, these Tonic Bitters display an influence that imparts new energy, and restores the system to its normal condition.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

No Person can take these Bitters according to directions, and remain long unwell, provided their bowels are not destroyed by mineral poisons, or other means, and vital organs wasted beyond repair.
Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Florida, James and many others, who have their vital organs, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essential and necessary. This is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark, bilious, fecal matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
Fortify the body against disease by the use of WALKER'S VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Congestion of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the result of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.
