

To Tobacco Planters

"EXCELSIOR,"

The most concentrated, uniform and durable fertilizer ever offered to the Farmer and Planter, combining all the stimulating qualities of Peruvian Guano, and the ever durable fertilizing properties of Bones. Adapted to all Soils and Crops.

AFTER SEVENTEEN YEARS experience by the Planters of Maryland and Virginia in growing Tobacco, it is now their unanimous opinion that

"Excelsior"

HAS NO EQUAL

and in their application "the crop is heavier, cures earlier and better, and is not so liable to suffer from drought, as the use of Peruvian Guano alone."

We refer to every Planter in Maryland.

UNIFORMITY OF QUALITY GUARANTEED BY THE MANUFACTURERS.

Formers should see that every Bag is branded as above, with the ANALYSIS and OUR NAME in RED LETTERS. All others are counterfeits.

\$20 MAKE HOME \$20 HAPPY.
And earn \$20 or \$40 per Day.
Marvelous Mechanism.
Ingenious Invention.
Absolute Perfection.

AN ELEGANT, DURABLE AND FULL-SIZED SEWING MACHINE WITH TABLE AND TREADLE
Complete for Domestic Use
Twenty Dollars.

Unparalleled in price. With many important, superior and valuable improvements. Equal in size, and does the same work, in the same way, at an \$80 or \$100 machine. The most simplest and cheapest machine ever made. Written guarantee for five years with every machine. No Superior! No Competition! No Rival in quality and price. A skillful and practical scientific accomplishment of a most wonderful combination of all the good qualities of a Sewing Machine, and fully acknowledged to be a perfectly successful mechanical achievement of practical simplicity. Thoroughly tested in a domestic use of years. The Favorite of the Family Circle.

It does not take an hour to get ready to do a minute's work, but is always ready in a moment to do a Day's Work. It will save its cost many times over in one season, doing the work of the Family, or it can be used as a Sewing Machine for any man or woman who may wish to do sewing for a living. It will do all that any other machine can do, and smooth to run, the children and servants can use it. So strong and solid built, it will last a generation if properly cared for. Has no superfluous Cogs or Gears to get out of order. Sewing equally fine with coarse Cotton, Linen, Silk or Twine. Rapidly sews a strong seam over all kinds of goods from Finest Cambric up to Heaviest Broadcloth and Leather without stopping the Machine. Runs faster, lighter, more easy and quiet than any other Machine in five times the price. Uses the strongest straight needle. Marvelous in its every motion. Sews the finest, firm and lasting stitch. Makes the only seam that can not be ripped apart without destroying the fabric. The strength, firmness and durable qualities of which have long been accorded. Will sew anything it is possible for a needle to do. Has no description of sewing ever done on any other machine no matter what the price and with less trouble. Will hem, huck, tuck, seam, quilt, bind, cord, bind, blind, blind, fold, scissor, roll, embroider, run-up-breadth, &c., &c., with astonishing ease, rapidity and neatness. Has received testimonials of its merits from all sections of the country, many of distinguished consideration seldom voluntarily accorded to an invention of similar domestic usefulness. Our many new attachments, patented August 16, 1870; September 16, 1871; July 7, 1872. Made to fit all the machines, are the attainment of precision in mechanical accuracy for rendering it easy for those who never saw a machine before, to do the finest kind of fancy needle work, otherwise difficult and tedious, with the utmost ease and rapidity.—Money rarely saved through trial, if not satisfactory in every particular. Cash Prices of Machines. Machines with plain table, iron stand and treadle, complete with all the necessary fixtures for immediate use, \$20. Machines, with cover, lock and key, half case style, \$25. Machines, with cover, drop leaf, four side drawers, lock and key, three quarter cabinet style, \$40. Machines with enclosed table, side drawers, panel folding doors, locks and keys, full cabinet style, \$75. Tables are of various styles, materials, mountings, richness of design, &c., according to price. Machines carefully selected, securely packed and shipped as freight to any part of the world. Sale delivered insured on receipt of price without further charge. Descriptive books with full particulars of the different styles of machines and attachments, large profits, testimonials, samples of sewing, liberal inducements to canvassers, Wholesale prices, &c., forwarded free of charge upon application. Exclusive agency for large territory granted gratis to respectable, enterprising business men, clerymen, teachers, &c., who will introduce the extraordinary merits of our goods to the people of their locality and supply the increasing demand. BLATCHLEY'S IMPROVED CUMBER WOOD PUMP is the acknowledged STANDARD of the market, by popular verdict, the best pump for the least money. Attention is invited to Blatchley's Improved Bracket, the Drop Check Valve, which can be withdrawn without disturbing the joints, and the copper chamber which never cracks, scales or rusts and will last a life time. For sale by Dealers and the trade generally. In order to be sure that you get Blatchley's Pump, be careful and see that it has my trade mark as above. If you do not know where to buy, descriptive circulars, together with the name and address of the agent nearest you, will be promptly furnished by addressing, with stamp,

CHAS. B. BLATCHLEY,
