WHAT THE SOUTHERN PRESS SAY OF THE TRIBUNE. We consider The Tribune a very valuable paper—[Ashville (N. C.) Citizen]. The New-York Tribune, in its faithful and searching exposure of outrage slanders on Alabama and other States, has done immense service to truth and justice.—[Macon (Ga.) Telegraph and Messenger].

We thank The New-York Tribune for its manly and powerful words in demanding justice for the people of Alabama.—[Montgomery (Ala.) News].

The best paper in the world is the New York Tribune. It combines the dignity and sagacity of the London Times with the representative news enterprise of America.—[Baltimore Bulletin].

A paper to be admired for its independence of tone and its reliability of news—[Episcopal Methodist, Baltimore, Md.].

Any one who wants a first class paper, which keeps fully up with the times in literature, science and art should subscribe for the Tribune.—[Virginia Standard, Charlottesville, Va.].

The Imperial sheet of the world, the New York Tribune.—[The Jacksonville (Fla.) News South].

We regard it as the best paper, all in all, published in the United States.—[Morristown (Tenn.) Gazette].

Today the New York Tribune is undoubtedly the first of American newspapers, whatever may be said of its rivals, it has clearly won precedence of all and very creditably does it represent the journalism of the country. While dealing with all the topics common within the range of a newspaper, the Tribune makes a specialty of the great subject of agriculture. It becomes thereby a matter of vital importance to the country that it may be read by the people of this vast section should be in able and conscientious hands, and a matter for congratulation that the farmer's newspaper par excellence has the high standing of the Tribune.—[The (N. Y.) South].

The New York Tribune is doing a great work in popularizing science by the publication of cheap extras to that great daily.—[Our Monthly, American S. C.].

American newspaper enterprise is probably at this time more fully illustrated in the daily issues of the New York Tribune than in any other journal.—[Wilmington (N. C.) Star].

Unquestioned in culture, dignity, comprehensive breadth, public expression and intellectual power, the paper has secured an independence of speech, and historic with no ill sensation.—[Raleigh (N. C.) Agricultural Journal].

Surely the paper has secured an independence of speech, and historic with no ill sensation.—[Raleigh (N. C.) Agricultural Journal].
