Ayer's Hair Vigor

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effective for preserving the hair, or restoring it to its original color, with the gloss and freshness of youth.

This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced.

Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive.

Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can be used without harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

SOLELY BY ALL DRUGGISTS EVERYWHERE. Sold by 28, 1875-1y.

FIRE! FIRE! FIRE!

DWELLINGS, FURNITURE, BARN, OUT-HOUSES, FARM PRODUCE, &c., insured on the Mutual Plan by the

STATE OF MARYLAND MUTUAL FIRE Insurance Company OF BALTIMORE,

Office No. 17 South street. B G HARRIS, President.

DIRECTOR: J H Gough, " Noah Walker & Co, Philip T George, " George & Jenkins, T D Anderson, " Anderson & Bro, John Beach, Carpenter and Builder, Hon George Breat, Clerk of Appeals, George P Jenkins, Charles county, ST Ballenger, St. Mary's county, B G Harris.

This is a Home Company, gotten up expressly in the interest of the citizens of Southern Maryland, to enable them to overcome the difficulties they experienced in procuring insurance in the ordinary Insurance Companies, with a majority of its Directors well known in that community.

It has been in business now over four years. All losses accrued, and they have been unusually large, have been faithfully and promptly paid, which is our best guarantee for the future.

The plan adopted is the safest and cheapest known in Insurance, and affords to all insurance at its exact cost, and ought to be encouraged by all who wish to protect themselves against loss or damage by fire.

If those interested will get their patronage and interest themselves in the increase of its business, in a few years it will rank among the largest Insurance corporations in Maryland, a credit and benefit to all, and an honor to the State.

THE NEW YORK TRIBUNE.

"The Leading American Newspaper." FOUNDED BY HORACE GREELEY.

In the recent elections the people have declared in favor of honesty in politics and independence in journalism. The Tribune, which years ago declared that it was not and never more would be a party organ, claims the verdict as the popular vindication of its course, and rejoices in the result the voice of the people for reform and integrity in government.

For candor and independence among newspapers. During the campaign which has just closed The Tribune has fully maintained its right to the title of the "Leading American Newspaper." This position it has earned and retains for the following, among other reasons:

It publishes all the news earlier, more fully, and more intelligently than any other paper.

It insists on peace throughout the whole country, the right of local self government and the protection of all classes in the exercise of their just and legal rights.

It advocates confidence and good feeling between North and South, and labors for an honest and abiding reconciliation.

It maintains fairness and candor toward all public men and questions and dignity and courtesy toward associates and rivals.

It publishes scientific news, reports, discussions and discoveries to
