Ayer's Hair Vigor
For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair from becoming thin, falling out, or turning gray, and for restoring to it its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of losing the hair with a pesty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit, but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a graceful perfume.

Prepared by **Dr. J. C. Ayer & Co.,** Lowell, Mass. Sold by all druggists everywhere. Jan 28, 1875-1y.

STATE OF MARYLAND
MUTUAL FIRE
Insurance Company
OF BALTIMORE,
Office No. 17 South street.
B. G. HARRIS, President.
DIRECTORS:
S. H. Coughlin, Noah Walker & Co., Philip T. George, George & Jenkins, T. D. Anderson, Anderson & Bro., John F. Smith, Carpenter and Builder, Hon. George Brent, Court of Appeals, George F. Jenkins, Charles county, J. T. Ballinger, St. Mary's county, B. G. Harris.

This is a Home Company, gotten up expressly in the interest of the citizens of Southern Maryland, to enable them to overcome the difficulties they experienced in procuring insurance in the ordinary Insurance Companies, with a majority of its Directors well known in that community. It has been in business now over four years. All losses accrued, and have been promptly paid, which is our best guarantee for the future.

The plan adopted is the safest and cheapest known in insurance, and affords to all insurance at its exact cost, and ought to be encouraged by all who wish to protect themselves against loss or damage by fire. If those interested will give it their patronage and interest themselves in the increase of its business, in a few years it will rank among the largest Insurance corporations in Maryland, a credit and benefit to all, and an honor to the State.
