To Tobacco Planters!
"EXCELSIOR,"

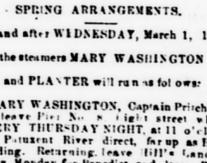

Composed of 800 pounds of No 1 Peruvian Guano and 1200 pounds of Bones dissolved in sulphuric acid and P.O. ash.

Forming the most concentrated, nutrient and durable fertilizer ever offered to the farmer—combining all the stimulating qualities of Peruvian Guano, and the ever durable fertilizing properties of Bones. In fine dry powder, prepared expressly for drilling.

After eighteen years' experience by the Planters of Md. and Va. in the use of "EXCELSIOR," it is their unanimous opinion that an application of 100 pounds of "EXCELSIOR" is equal to from 200 to 300 pounds of any other fertilizer or guano, and therefore fully 100 per cent cheaper.

UNIFORMITY OF QUALITY GUARANTEED BY THE MANUFACTURERS.
Farmers should see that every Bag is branded as above with the ANALYTICALS and OUR NAME in RED LETTERS. All others are counterfeits.

Five years ago they absorbed the business conducted by Mr. John Hooper, who was the first to go into this kind of enterprise. Now they have the satisfaction of controlling the most extensive and complete advertising connection which has ever been secured, and one which would be hardly possible in any other country but this. They have succeeded in working down a complex business into so thoroughly a systematic method that no change in the newspaper system of America can except notice, while the widest information upon all topics interesting to advertisers is placed readily at the disposal of the public.

Trustees' Sale of POINT LOOKOUT.
BY virtue of a decree of the Circuit Court for Saint Mary's county, sitting in Equity, passed in the case of West v. Danbush vs Lucien Dickinson and Dan McCann vs Wm H Dickinson and others, the undersigned, Trustee, will offer of public sale at the Court House door in Leonardtown, St. Mary's county, Maryland, on

Thursday, the 23rd of March, 1876, between the hours of 1 and 4 P. M., all that valuable real estate in the first election district of St. Mary's county at the confluence of the Potomac River and the Chesapeake Bay, known as

POINT LOOKOUT, and containing **322 acres,** more or less, being the same tract of land which, by the will of the late Jenifer Trustee, admitted to probate in the Office of the Register of Wills of St. Mary's county on the 15th day of November, 1837, was divided in two separate tracts of one hundred and sixty-one acres, more or less, each, to his two children, Wm M Taylor and Ann Taylor.

The improvements of Point Lookout consist of a comfortable DWELLING HOUSE and necessary OUT BUILDINGS, belonging to the farm proper, and of the PAVILION or bathing place establishment—a large HOTEL and numerous COTTAGES, said cottages being leasehold property; also a SUBSTANTIAL WHARF for the accommodation of navigation. The land is valuable for agricultural purposes, being highly improved and very productive. The property is enhanced in value by the facilities on the premises for the re-establishment of the SUMMER RESORT for sea-bathing, &c., which was closed in 1851 by the occupation of the premises by the United States Government as a Military Prison, and also by the selection of this point as the terminus of the projected Southern Maryland Railroad.

The location is healthful and picturesque, immediately on the highway of commerce, North and South, and in daily communication by steamers with the cities of Norfolk, Washington and Baltimore. The surrounding waters abound in OYSTERS and FISH of fine quality and great variety. Capitalists are invited to examine the property. Information of same will be given by the Trustee at Leonardtown, St. Mary's county, Maryland, and at 37 and 32 1/2 St Paul street, Baltimore.

THE TERMS OF SALE are one-fourth of the purchase money in cash on the day of sale; the balance in two equal annual installments, bearing interest from the day of sale, secured by the bonds of the purchaser, with security satisfactory to the Trustee.

BENJAMIN HARRIS, D. S. BRISCOE, Trustees.
