The Scientific American which has been published weekly for the last thirty years, does this, to an extent beyond that of any other publication. In fact it is the only weekly paper published in the United States, devoted to Manufacturers, Mechanics, Inventors and New Discoveries in the Arts and Sciences.

Merchants, Farmers, Mechanics, Engineers, Inventors, Manufacturers, Chemists, Lovers of Science, and People of all Professions, will find the Scientific American useful to them. It should have a place in every Family, Library, Study, Office, and Counting Room; in every Reading Room, College and School.
