This is a Home Company, gotten up expressly in the interest of the citizens of Southern Maryland, to enable them to overcome the difficulties they experienced in procuring insurance in the ordinary Insurance Companies, with a majority of its Directors well known in that community.

It has been in business now over four years. All losses accrued, and they have been unusually large, have been faithfully and promptly paid, which is our best guarantee for the future.

The plan adopted is the safest and cheapest known in Insurance, and affords to all Insurance at its exact cost, and ought to be encouraged by all who wish to protect themselves against loss or damage by fire.

If those interested will get it their parting and interest themselves in the increase of its business, in a few years it will rank among the largest Insurance corporations in Maryland, a credit and a benefit to all, and an honor to the State.
