

Trustees' Sale OF VALUABLE REAL ESTATE. BY virtue of authority vested in us by a decree of the Circuit Court for St. Mary's County, sitting as a Court of Equity, passed in a cause in which John B. Welch and Son are complainants and John M. Brome, Executor of Francis M. Goddard, and others are defendants, and bearing date of the 6th day of June, 1877, the undersigned, as Trustees, will offer for sale at public auction, at the Court House door in Leonardtown, on

Tuesday, the 14th day of August, 1877, between the hours of 1 and 3 o'clock, p. m., all the interest of Francis M. Goddard, being three-fourths, in and to all that tract or parcel of land known and called by the name of

East St. Mary's Land, containing **236 acres, more or less.**

The above named land lies in the 1st election district of St. Mary's county, is beautifully located on the St. Mary's river, immediately within the bend of the Horse Shoe, and adjoins the magnificent Estate of Dr. John M. Brome on the one side and the public landing, known as the "Yellow Bank" on the other.

The line of the Southern Maryland Railroad runs directly through the farm and it must in time be one of the most valuable places in the county. The advantages for schools, churches, stores, etc., cannot be surpassed, being within half a mile of the St. Mary's Female Seminary and Brome's wharf. It has a very comfortable and commodious new dwelling house and store house detached, upon it, with farm and other necessary farm houses.

Crampton's Imperial Soap is the Best.

This Soap is manufactured from pure materials, and it contains a large percentage of Vegetable Oil, is warranted fully equal to the best imported Castile Soap, and at the same time contains all the washing and cleansing properties of the celebrated German and French Laundry Soaps.

It is especially recommended for use in the Laundry, Kitchen and Bath Room, and for general household purposes; also for Printers, Painters, Engineers, and Machinists, as it will remove spots of ink, Grease, Tar, Oil, Paint, etc., from the hands.

The Huntington (Pa.) Monitor of April 5th, 1877, pronounces this Soap the best in the market, as follows: "Reader, we don't want you to suppose that this is an advertisement, and pass it over unheeded. Read it. We want to direct your attention to the advertisement of 'Crampton's Imperial Soap.' Having used it in our office for the past year, we can recommend it as the best quality of soap in use. It is a rare thing to get a Soap that will thoroughly clean printing ink from the hands, as also from linen, but Crampton's laundry soap will do it, and we know whereof we speak. It is especially adapted for printers, painters, engineers and machinists, as it will remove grease of all descriptions from the hands as well as clothes, with little labor. For general household purposes it cannot be excelled."

Manufactured only by

Mr. Henry Colvin, a large market gardener at Syracuse, N. Y., writes: "Your English Onion Seed, surprised me by its large yield, and the delicious flavor of the fruit. I could have sold any quantity in this market at good prices. My wife says in this market no other onions for the table in feature. Send me as much as you can for the enclosed \$3 00."

HALES' VEGETABLE SICLIAN HAIR REGENERATOR

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfect preparation for restoring GRAY or FALLING HAIR to its natural color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. HAYES, M.D. State Assayer of Massachusetts, says: "The constituents are pure, and carefully selected for excellent quality, and I consider it the Best PREPARATION for its intended purpose." Sold by all Druggists and Dealers in Medicines. Price One Dollar.

Buckingham's Dye FOR THE WHISKERS.
As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents. Manufactured by R. P. HALL & CO., NASHUA, N.H.
