

# KELLER'S VEGETABLE LIFE DROPS

TRADE MARK

In the introduction of Keller's Vegetable Life Drops, a new departure has been instituted. Instead of appealing to the credulity and superstition of the sick, the judgment of all is addressed in "A Brief Manual of Purgative and Depurative Medicine,"—to be had of druggists free of charge, and given with every bottle of the Drops.—Written for those who, having a perception of their disease, can intelligently apply the principles therein contained, with the assurance of relief and cure.

**Diseases of the Blood**  
LIVER AND STOMACH—  
INDIGESTION,  
Dyspepsia, Constipation, &c.

Keller's Vegetable Life Drops by their peculiar alternative and purgative influence, act especially upon the Blood, purifying it, and removing such diseases as

**Liver Complaint,**  
Biliousness,  
Ulcers,  
Rheumatism,  
Pimples, Skin Diseases,  
Blisters, Neuralgia,  
Boils, Eruptions,  
Headache, Nervousness,  
Jaundice, Fever & Ague,  
Colds, Loss of Appetite,  
and KINDRED DISEASES, resulting from impure and vitiated Blood.

**DYSPEPSIA.**  
The possession of pure blood depends upon good digestion; for where drainage of the digestive function exists disease inevitably results, and Dyspepsia, with all of its evils and tortures, becomes established.

Keller's Vegetable Life Drops are a specific for DYSPEPSIA, or INDIGESTION, FLAUNTING HEADACHES, CRAMPS, NAUSEA and VOMITING, PAINS in the Head, Side and Back, Palpitation of the Heart, Hypochondria, and all that class of diseases arising from Indigestion.

**LIVER COMPLAINT.**  
When from any of the numerous local causes in Liver begins to act normally, the bile remains in the system, vitiating and perverting every vital process, and causing Boils, Carbuncles, Blisters, Pimples, Coughs, Bronchitis, Asthma, Consumption, Dysentery, Kidney and Bladder diseases, and many other disorders, all originating directly or indirectly from the Liver. Keller's Vegetable Life Drops induce the healthy action of the Liver by providing for the removal of the bilious constituents by the Bowels, Skin, &c. and Skin.

**CONSTIPATION.**  
The suppression and retention of the contents of the alimentary canal produce Foul Breath, Indigestion, Dyspepsia, Pains, Chronic Headache, Slight affections, and very many other diseases referable to the insidious influence of Constipation. Keller's Vegetable Life Drops promptly cure this disease, and all the bad effects attending upon or resulting from it.

Keller's Vegetable Life Drops are the safest remedy for those peculiar diseases arising from the structural difference between the sexes, and known as Female Complaints.

The use of Keller's Vegetable Life Drops has been thus only partially indicated; their range of application is very great, and their work is always more than satisfactory. Their remarkable efficacy, as already shown, is particularly exhibited in diseases of Blood, Liver, Stomach and Bowels.

Keller's Vegetable Life Drops are recommended to be the best and cheapest FAMILY MEDICINE ever offered, and sold by druggists and dealers at 50 cents a bottle, or five bottles for \$2.

## THE EVENING BULLETIN,

Incorporating the best Evening Paper published in Baltimore.  
128 W. BALTIMORE STREET.

The Evening Bulletin contains all the news, local and general, and financial, received up to the hour of going to press, (except three hours at noon) by mail or telegraph, or collected by the industry and labor of an efficient corps of reporters. The periodical covered by each daily issue of the Evening Bulletin, in advance of the morning papers of the following day, includes the whole of the business day up to the hour of closing of the banks and markets of the day. As it is already being in London, Paris, Berlin, Vienna and Constantinople when it is half-past three here, the Evening Bulletin has repeatedly, during the present Turkish-Russian War, furnished to its readers later news from the Danube and Asia Minor than was contained in the London and Paris papers of the same day.

For a family paper for careful and leisure reading—for a paper to take home at the close of the busy day, or, better, to be subscribed for, and regularly received each evening at the hours as well as the counting room of its patrons, the Evening Bulletin is by all odds the best paper in the city.

The course of the Evening Bulletin during the six months of its existence; its fidelity to the true principles, the highest tone and best character of its editorial and editorial management, the State and country; its devotion to the commercial and industrial interests of Maryland and Baltimore, evidenced by its articles upon subjects connected with the development of trade and manufactures in this section; its sound financial views, opposed to all schemes of speculation, open or disguised, all tampering with the public credit, all debasing of the national currency; the attention it has given to questions of Taxation, Tariff Revision and Revenue Reform; its consistent advocacy of Civil Service Reform and Honesty in Administration in every department of the Government, Federal, State and Municipal; these facts in the past career of the Evening Bulletin give it an undoubted claim upon the confidence and respect of the best portion of the community.

To those persons who already subscribe or advertise in the Bulletin, we take for granted a new word of encouragement is needed. To those who have not been in the habit of reading the paper, we say—begin with the New Year—try it for one month or a week—the experiment will cost little, and we will cheerfully assist the result. To advertisers who wish to reach the best class of customers, the Evening Bulletin offers advantages inferior to no paper published in this city.

## Ayer's Sarsaparilla.

It is widely known as one of the most efficacious Remedies for cleansing the system and purifying the blood. It has stood the test of years, with an unbroken record of reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild and yet so safe and beneficial to children, and yet so searching as to effectually purge out the great corruptors of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Eruptions, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Itch or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures every complaint, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Piles, Hemorrhoids, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and bilious languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

IS THE BEST.

Crampton's Imperial Soap is the Best.  
Crampton's Imperial Soap is the Best.  
Crampton's Imperial Soap is the Best.  
Crampton's Imperial Soap is the Best.

This Soap is manufactured from pure materials, and as it contains a large percentage of Vegetable Oil, is warranted fully equal to the best imported Castile Soap, and at the same time contains all the washing and cleansing properties of the celebrated German French Laundry Soap.

It is therefore recommended for use in the Laundry, Kitchen and Bath Room, and for general household purposes; also for Printers, Painters, Engineers, & Machinists, as it will remove spots, ink, Grease, Tar, Oil, Paint, etc., from the hands.

The Hastington (Pa.) Monitor of April 5th, 1877, pronounces this Soap the best in the market, as follows: "Remember, we don't want you to suppose that this is an advertisement, and pass it over unheeded. Read it. We want to direct your attention to the advertisement of 'Crampton's Imperial Soap.' Having used it in our office for the past year, we can recommend it as the best quality of soap in use. It is a rare thing to get a Soap that will thoroughly cleanse printing ink from the hands, as also from linens; but Crampton's laundry soap will do it, and we know whereof we speak. It is especially adapted for printers, painters, engineers, and machinists, as it will remove spots, ink, Grease, Tar, Oil, Paint, etc., from the hands for general household purposes it cannot be excelled."
