Fire! Fire! Fire!

DWELLINGS, Furniture Baros, Out-houses, Farm Produce, &c., &c., insured on the Mutual Plan by the STATE OF MARYLAND

MUTUAL FIRE Insurance Company OF BALTIMORE, Office No. 17 South Street, B. G. HARRIS, President.

DIRECTORS: S. H. Caughey, of Noah Walker & Co. J. L. Langley, Com Merchant, Balto. T. D. Anderson, of Anderson & Bro. John Stack, Carpenter and Builder. Hon. George Brent, Court of Appeals. George P. Jenkins, Charles county. J. T. Ballenger, St. Mary's county. B. G. Harris, Baltimore.

This is a Home Company, gotten up expressly in the interest of the citizens of Southern Maryland, to enable them to overcome the difficulties they experienced in procuring insurance in the ordinary Insurance Companies, with a majority of its Directors well known in that community.

It has been in business now over four years. All losses accrued, and they have been unusually large, have been faithfully and promptly paid, which is our best guarantee for the future.

The plan adopted is the safest and cheapest known in Insurance, and affords to all Insurance at its exact cost, and ought to be encouraged by all who wish to protect themselves against loss or damage by fire.

If those interested will get it their patronage and interest themselves in the increase of its business, in a few years it will rank among the largest Insurance corporations in Maryland, a credit and a benefit to all, and an honor to the State. June 26, 1878-4

CRAMPTON'S IMPERIAL SOAP

IS THE BEST. OLD, TRIED, AND TRUE.

People are getting acquainted—and those who are not ought to be—with the wonderful merits of this great American Remedy, the

MEXICAN Mustang Liniment,

FOR MAN AND BEAST.

This Liniment very naturally originated in America, where the Mustang Liniment is put up in three sizes of bottles, the larger one being proportionately much the cheapest. Sold everywhere.

The Mustang Liniment is the quickest cure in the world for accidents occurring in the family, in the absence of a physician, such as burns, scalds, sprains, cuts, etc., and for rheumatism and stiffness engendered by exposure. Particularly valuable to miners.

It is the cheapest remedy in the world, for it penetrates the muscle to the bone, and a single application is generally sufficient to cure.
