Common Sense Washer.

JOSHUA JONES, Esqr., has obtained the Agency for St. Mary's county to sell the **COMMON SENSE WASHER**, patented by the Erie Washer Company of Erie, Pa., and is now canvassing for purchasers. The inventor was a pioneer in this class of washers and has given to the public several that have gained a world-wide reputation. In producing the present one, he had the benefit of large experience, which he has skillfully applied, sparing no pains to make it as perfect as it is possible to make any piece of machinery for a special purpose. It contains all the good points found in all the others, reduced to the most practical form, and has no weak parts. Mr. Jones also sells the **Walker Washer** and the **Walker Lever Wringer**.

The price of the Common Sense Washer is \$5—the Walker Washer is sold for \$8—the Walker Lever Wringer also for \$8. Persons desiring of making inquiries in regard to these machines with a view to purchase can see the agent personally or communicate with him by letter, addressed to the Oakville Post Office.

HEADACHE PILLS

CELERY "Dr. C. W. Bessons, a practicing physician, at 106 N. Howard Street, Baltimore, Md., (who has paid much attention to nervous diseases), has discovered that Extract of Celery and Chamomile combined in a certain proportion invariably cures either bilious, dyspeptic, nervous or hysterical affections. This is a triumph in medical chemistry, and CELERY in medical chemistry, and CELERY is ordering by mail. He prepares it in pills, at 50c. per box. MALTBY HOUSE,
BALTIMORE.

April 1st, 1879.

Recognizing the fact that the relationship existing between the Counties of Maryland and the City of Baltimore is such that residents of the Counties have occasion to visit the City frequently during the year; in consideration of these facts and the liberal patronage extended the "Maltby" in the past, I deem it but a matter of justice that some discrimination should be made in their favor. I have therefore concluded to appreciate by them, and at the same time merit and secure an increased share of their patronage. Assuring them that nothing will be left undone that can add to their comfort during their stay. Rooms without board, 75 cents and upward per day.
