NOTICE.
I am humbled by misstatements—
Post yourself upon present
ALLSTAN STORES.

To Tobacco Planters!

The undersigned, PIONEER in the manufacture of Fertilizers in this city, and ORIGINATOR in 1858 of the Formula and process of manufacture of

"Excelsior" and Ammoniated Phosphate

So well and favorably known by the Agricultural Public, relying upon his experience and personal reputation hitherto acquired in the uniform excellence of these Fertilizers AS MANUFACTURED BY HIM, continues to offer them to the Farmers and Planters of Maryland and Virginia with the assurance that the high standard quality of each WILL BE MAINTAINED as heretofore.

The above are the most concentrated FERTILIZERS ever offered to the Farmer and Planter—combining all the stimulating qualities of Peruvian Guano, and the ever-durable fertilizing properties of Bone, in fine, dry powder, prepared expressly for drilling, and it is the universal opinion of the Planters of Maryland and Virginia, after twenty years experience in the use of the EXCELSIOR MANUFACTURED BY ME, in growing Tobacco, that an application of 100 pounds is equal in its effects to 200 pounds of any other Fertilizer or Guano, therefore fully 50 per cent. cheaper.

With my present advantages and superior facilities for Manufacturing, I challenge competition with any Fertilizer sold in the United States in QUALITY, MECHANICAL CONDITION AND PRICE.

By strictly adhering to my Original Formula, using only the most concentrated materials, and superintending in person their manufacture—as for the past twenty years,

Uniform Quality is Guaranteed.

Farmers to secure the ONLY GENUINE EXCELSIOR AND PHOSPHATE, prepared according to my Original Formula, established in 1858, should see that every Bag is branded as above, with the ANALYSIS and MY NAME IN RED LETTERS.
