Leonardtown Farmers' Club.

At a special meeting of the Leonardtown Farmers' Club, held June 2nd, at which were present all but four members, the following resolutions were passed without a dissenting voice:

It was further agreed upon by the members of the Club that Mr. George F. Pabst be requested to notify at once the Wakefield Steamboat Company of the action taken by the Farmers Club of Leonardtown.

It was well understood before the Club adjourned that each member should use his individual efforts to influence all interested in this matter to patronize this Company and by so doing to prove to the Company that we all appreciate the action taken by the Wakefield Steamboat Company.

Mr. Inigo's Items.

[From our Regular Correspondent.] The 30th ultimo was a comparatively pleasant day and by 3 p. m., a goodly number of citizens had convened at the Confederate Cemetery for the purpose of decorating the sanctuary of the noble dead...

At the conclusion of the oration a number of ladies and gentlemen were requested to the residence of Col. Wadsworth...

How Men Die.

If we know all the methods of approach adopted by an enemy we are the better enabled to ward off the danger and postpone the moment when surrender becomes inevitable. In many instances the inherent strength of the body suffices to enable it to oppose the tendency toward death.

Decorations Day.

Monday, June 4, 1888. Last Wednesday was Decoration Day at the Confederate Cemetery near Point Lookout, and by half-past three in the afternoon quite a number of ladies and gentlemen, principally from the lower section of the county, had assembled to honor by their presence and add their tribute of respect to the beloved ones who died during the late war within the boundaries of this county...

EAST SIDE.

The decoration of the monument commenced about 3:30 p. m. superintended principally by Mrs. Judge J. P. Crane and Miss Ida Dent. There were many carriages and buggies on the ground and the occupants, of all we believe, brought beautiful bouquets, wreaths and garlands of fresh flowers, some of which were artistically woven into beautiful shapes and designs, and by the time the decoration was finished there was scarcely a spot upon the monument affording support, room but was near hidden from view by beautiful and fragrant flowers.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, soothes the Gums, reduces Inflammation, and gives tone and energy to the whole system.

LOCAL NEWS AND OTHERWISE.

There was quite a crowd in town Monday.

The Orphans' and Commissioners' Courts were in session Tuesday.

Mr. A. W. Neale, of Charles county, is visiting St. Mary's friends.

Dr. R. C. Kinney Blackstone has greatly improved his Summer Resort at River Springs.

Next Sunday Cardinal Gibbons will administer the Sacrament of Confirmation in Leonardtown Church.

The memorial services at Point Lookout Wednesday, June 27, were well attended. See description elsewhere.

On our first page will be found a reprint of an article on St. Mary's county as viewed by a correspondent of the Washington Star.

It is expected that on or about the 1st of July next the steamer Wakefield will begin making bi-weekly visits to Leonardtown wharf.

The people of this section of St. Mary's very generally regret Capt. Haislip's failure to secure a re-appointment. Capt. H. was deservedly popular here.

To prevent reaching any conclusion on the tariff bill the republicans in the U. S. House of Representatives are refusing to vote and thus leaving the House without a quorum.

Turner states that the verdict of the jury in his case was "a surprise to him. His daughter, he thinks, was very unwillingly to testify and would not have appeared against him had she not been put up to it."

We are told that at the recent memorial services at the Confederate Cemetery near Point Lookout, John Cajay, colored, an ex-sergeant in the U. S. Army, was one among the many who brought floral tributes to decorate the Rebel soldiers' grave.

Capt. Jeff. D. Loker has been re-appointed to the command of the Oyster Police Steamer George Thomas. Capt. Buckler, of the Louise Whyte, was not, however, so fortunate, being replaced by a Calvert Contain. We had hoped to have been able to congratulate both Captains upon re-appointments and regret that fortune has not so willed it.

"Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents per bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup" and take no other kind.

The Great Secret

Of exceptionally long and abundant hair may never be solved; but that Ayer's Hair Vigor preserves the hair in all its beauty and luxuriance, and even restores it, when thin and gray, is well known.

P. J. Gillen, Saratoga Springs, N. Y., writes: "My father, at about the age of fifty, lost all the hair from the top of his head. After one month's trial of Ayer's Hair Vigor, the hair began coming, and in three months, he had a fine growth of hair of the natural color."
