New York State was the stumbling block in Cleveland's way and there he was beaten.

We have failed to obtain free lumber, free wool &c., but have succeeded in getting a free trip up Salt River.

Never despair brothers! Although the rich monopolists have bought a verdict that unnecessary taxation is just taxation still hold to the contrary and be ready to fight them again.

Maryland has lost a democratic congressman, Hon. Isidor Raynor having been defeated in the Fourth District by a majority of 89. Misfortunes have fallen thick upon us and not the least among them is Raynor's defeat.

We delayed the publication of the BEACON this week to enable us to give the official result in the county and to present our readers with such returns from the national struggle as might be received up to-night.

THE RESULT IN MARYLAND.—The State has voted for the democratic electors by a good majority. The vote for Congressmen, however, is not at all gratifying, we having lost the Fourth District and the indications are that this is very close. The republicans retain their hold on the Sixth District, McComas defeating Douglas by a good majority.

THE RESULT IN THE COUNTY.—The result in St. Mary's is much better than many expected. We are beaten, but not by the majority that our opponents claimed. Our party made a good fight and we have nothing with which to reproach ourselves. The vote of the county follows:

Table with columns: Districts, Cleveland, Harrison, Total. Rows: 1 St. Inigo's, 2 Valley Lee, 3 Leonardtown, 4 Chaptico, 5 Mechanicsville, 6 Patuxent, 7 Milstead, 8 Bay District, 9 St. George's.

THE NATIONAL RESULT.—Though there are only fragmentary returns from many of the States, enough is known to warrant the declaration that the Republicans have won the fight and that the name of the next President will be Benjamin Harrison.

At this writing it is impossible to say whether the Democrats have lost or still retain their control of the U. S. House of Representatives. The indications are, however, that they will have a good working majority. The following is a summary of the probable result in the Electoral College:

Table with columns: FOR CLEVELAND, FOR HARRISON. Rows: Alabama, Arkansas, Connecticut, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Illinois, Iowa, Kansas, Maine, Minnesota, Massachusetts, Rhode Island, California, Oregon, New York.

We are beaten but not dismayed.

"SIMPLY GRAND!"

Mammoth One-Price Cash Store.

It is my delight to announce to you a first class line of FALL and WINTER GOODS. It is truly a Variety Store. If I cannot save you from 25 to 40 per cent over any concern south of Baltimore City, I will "throw up the sponge and say nothing more upon the subject."

Only can give a few in each department as it would fill every column of this valuable paper to give you a faint idea in the following departments:
