The public schools of the county will close for the Summer vacation on Friday, June 28th. Last Saturday's game of base-ball resulted in an easy victory for the Leonardtown Club.

Read the speech of Gen. Frank Brown which is published on the first page of our present paper. Lettie Hawkins, colored, was committed to jail Saturday last in default of surety to keep the peace.

The lands of the late John B. Abell will again be offered at public auction, Tuesday, the 2nd proximo. We return thanks to Jessie K. Hines, Esq., State Insurance Commissioner, for a copy of his annual report.

Quite a number of Summer visitors are at Piney Point, and among the number is Ex-Archbishop General Gardal. Saturday, the Laurel Grove Base-ball Club defeated a Choptico nine in a six inning game by a score of 19 to 7.

On our fourth page we publish a sketch of the life of the late Dr. James E. Morgan. It is the record of a well-spent life. Our thanks are returned Mr. C. Manning Combs for an invitation to the seventy-first annual Commencement of Georgetown College.

We are told that Monday last, men were at work on the line of the W. & P. R. R. repairing road-bed between Charlotte Hall and Mechanicsville. Representative Caine has placed us under obligations for a copy of the report of the House Committee on Territories on the admission of Utah as a State.

Mr. T. D. Mattingly, Saturday last, removed his goods to Plowden's Wharf, Wisconsin river, where he will hereafter conduct the mercantile business. Capt. Benj. Foxwell is delivering coal at Leonardtown wharf, and next week will return to Baltimore for another load. Read his advertisement and send him your orders at once.

But three of the Trustees of the St. Mary's Female Seminary were in attendance at the recent Commencement. State's Attorney Dan'l. C. Hammett was the only representative from our section. Among the list of graduates of St. Catherine's Normal School, Baltimore, we notice the name of Miss Rose Edwards, of Choptico, daughter of Mr. Thomas C. Edwards. Miss Edwards drew for the gold medal given by Rev. T. Duggan.

The Marlboro' Gazette and Port Tobacco Times have just entered upon new volumes. They are first-class county papers in every respect and deserve the liberal support of the democrats of their section and of the people generally. Last week the first new wheat was received in Baltimore, coming from Lancaster county, Va. The consignment was 218 bushels, of which 48 bushels sold for \$1.50. The remainder, which was garlicky and in bad condition brought 90 cents per bushel.

St. Mary's Seminary Commencement. (Special Correspondence of the Beacon.) The annual commencement of the St. Mary's Female Seminary, Miss A. E. Thomas, Principal, took place on Monday last, the 24th instant, with well attended and a very creditable affair. The following is the program: Marches, Entree, Chorus, Essay, "Washington Irving," Miss Harwell, Saddle, "Over Blooming Meadows," Misses Martin and Hood, Kolling, "La Chasse au Lion," Miss Crane, Glover, "Let us call back the time," Misses Wilson and Somerville, Essay, "Silver Speech and Golden Silence," Miss Waring, Calisthenics, Preparatory Class, Beethoven, "March alla Turca," Miss Somerville, Wright, Wallace and Watson, Class Songs, Preparatory Class, Smith, "Martha," Miss Wilson, Schubert, "James deSeville," Misses Homer and Briscoe, Concerto, "Harvest Day," Class, Duroc, "Homage to Verdi," Misses Marshall, Crane Wilson and Harwood, "Tory," "The Waiting Heart," Miss Delaplant, "Valedictory," Miss Burch, Distribution of Diplomas and Medals. Address, Hon. George C. Merrick.

Where all did so well it would hardly be fair to particularize, and yet I cannot help special mention of the essay of Miss Bessie Waring, of Prince George's county, as containing many golden gems of thought, expressed in silvery tones, and the essay of Miss Maggie Smith, of St. Mary's, as being well conceived and most happily rendered, and the valedictory by Miss Sarah R. Burch, of St. Mary's, as being well up to the standard in ideas and very well delivered. The following are the names of the graduates and the averages made: Miss Sarah R. Burch, St. Mary's, 98 3-11; Miss Annie Harwell, Baltimore county, 96 3-7; Miss Bessie Waring, Prince George's county, 92 1-2; Miss Lela Martin, Charles county, 92; Miss Mamie Wallis, Kent county, 91 5-7; Miss Maggie Smith, St. Mary's county, 85.

The honors were awarded as follows: Gold medal for department to Miss Maggie Somerville, Calvert county; medal for highest average in every class to Miss Maria Briscoe, St. Mary's county; silver medal for best average and recitations in French to Miss Katie Crane, St. Mary's county; gold medal for instrumental music to Miss Nannie Wilson, Prince George's county; medal for vocal music to Miss Mary Delaplant, Washington city.

The address by the Hon. George C. Merrick was good and highly instructive and pleasing to the young ladies, but we think it would have been much grander and more eloquent had he left his manuscript at home, for reading in such cases always detracts from the address and robs it of its chief beauty and force, and we do not like to see the gifted orator sacrifice power and effect to what is now considered "the style." And we, trust that when friend Merrick comes again, and we hope soon, for he has many friends here and will always be welcome, he will leave his manuscript behind and speak out what is in him, in accordance with the great gifts with which God and a highly cultured intellect have endowed him.

This school is beautifully situated on the St. Mary's river and is well conducted, the care and attention being paid by its principal and assistants, not only to the intellectual, but also to the moral and social training, and we have often wondered why it did not receive greater encouragement, as it certainly deserves the highest success, for we cannot acquiesce in the necessity of sending children away to be educated when the facilities for a good, sound, practical education lie right at home.

St. Inigo's Items. [From our Regular Correspondent.] A bird's-eye glimpse reveals the fact that tobacco is growing rapidly, and that a larger area has been planted than we anticipated. An occasional magistrate's trial occurs and trespassers generally receive full value for their violence of arms, to their neighbor's person, &c. It gives us pleasure to state that our teachers of the metal code are uniting in their endeavors to rouse their hearers to a proper sense of duty—to plant themselves at once upon the Rock of Ages.

Some sickness prevails, and our young doctor, George Dent, is kept tolerably busy just now. Owing to the busy season the schools of the district are thinly attended. Vacation will be a reality for many days and teachers no doubt will feel greatly relieved, inasmuch as their responsibility for the intellectual growth of pupils will cease to be a burden for several months. That the cultivation of the mind is the lever which most elevate individuals and communities no sane minded person will deny; and no educator comprehends this significant truth better than the distinguished Principal of St. Mary's Female Seminary. "Onward" is the motto of the institution. The address of Hon. George C. Merrick was replete with good advice, in fact, an intellectual treat. Austin Adams, Esq., is shipping raspberries to Washington, and his tomatoes will be ready for consignment at an early day.

The steamer Tygart will stop at Abell's wharf 28th instant, and will make regular trips there for the future. The citizens of Tick Neck are delighted. Summer boarders are beginning to arrive, and now for the disappearance of the Spring chicken and the early goaling. Mrs. Kate E. Dunbar lost twenty-eight fine turkeys recently. It is supposed that foxes caught them. Twenty cents for sheephead and large rock correspondingly cheap can daily be had hereabout.

The indications are that what will yield well. Very little "scab" is noticed, so say those who know. Clover is being cut and it is of excellent quality. Bains continue to occur, but plowing, &c., appear not to be hindered in consequence of the same. RALYAT.

Celebration. The public are respectfully invited to attend the 4th of July celebration given by Mechanicsville Literary Association. J. H. CHINO, Secretary.

Richard E. King, of the St. Mary's bar, has been admitted to the bar of the Court of Appeals.

Robin's Return, Duets, Misses Susie Abell, Mabel Duke, Violet Mattingly and Maud Goldsboro; Away to the Fields, Quartette, By All the Pupils. The pupils, one and all, acquitted themselves with great credit and evidenced the careful and thorough training they had received. There were no stopt, no falterings, but all knew their lines and each spoke them "trippingly upon the tongue." The music we thought, was admirably rendered. In short, the whole program was as well executed as the most exacting could have desired. We do not mean to assert that the conception of the parts and the acting was as fine as Mrs. Siddons had been upon the stage, or that the piano performances were of as high an order as would have been had Beethoven touched the keys. We believe, however, that every part was as well performed as is ever done at a school commencement, and show careful and thorough training, and we think that those who were present were convinced that the Sisters are adepts in the art of teaching and that in their school our county has an institution of learning that will compare most favorably with older, high-priced and more pretentious academies. If the aim of a school exhibition is to show how well the institution can train those entrusted to its care, St. Mary's Academy has reason to feel proud of Monday's performance, for it demonstrated that the school is all that its most sanguine friends claim for it.

The honors of the Academy were awarded as follows, Rev. Clement Lancaster announcing them and Rev. Charles K.
