How The Assessment Progresses.

Tuesday last, the assessors at large met at the Court House, compared notes and returned papers. The assessors have completed work in the Seventh District and Col. Marshall Dent estimates that the basis in that district has been increased about \$12,000.

Successful Treatment.

Mr. J. T. Pilkerton, of California, has for some time past been a great sufferer from cancer his right eye being entirely eaten away. Years ago, he was treated by Dr. W. B. Evers, of West Virginia, but the sore never entirely healed and this Spring it broke out afresh and confined him to his bed.

People You Know of.

Miss Linda Jones, of Leonardtown, is on a visit to New York City. Miss Alice Lovejoy, of Washington, is a guest of Moore's Hotel, this town.

Farmers' Institute.

J. PERRY ABELL, Esq.—Dear Sir—In reply to your complimentary favor of the 13th says it will afford me pleasure to meet the members of your club and the farmers of St. Mary's at the time mentioned in your letter.

Localize and Otherwise.

Mr. W. Emory Day, of New York, is visiting his friend, Mr. J. E. M. Raley at "The Branch."

To Can Apples.

Make a syrup of sugar and water in proportion of one cupful of sugar to three parts of water. When the syrup is boiling hot, drop into it the apples cut into quarters or halves if they are very small. Put on at one time only as many as will float in top of the syrup without crowding. Let them remain in the syrup until they look clear.

Some Georgia Philosophy.

"Keep in the middle of the road" is a good motto—if the Sheriff isn't behind you. If a man knew just what a day would bring he'd go off and die without the aid of a doctor.

Lowtown Local.

(From our Regular Correspondent.) The Fourth passed off hereabout in an exceedingly quiet manner. A number of ladies and gentlemen visited the Island and returned well pleased with their trip. America! The days of your glory is not an imagined glory. Those who are capable of reflection will not view the above expression in a contemptible light.
