The Leonardtown Kinsale Gams. The Kinsale team reached Leonardtown Wednesday of last week during the rain. The two teams were in the field and a game was started. At the end of the 4th inning the score stood, Kinsale 4; Leonardtown 1. It was raining so hard the game could not proceed and was called.

Thursday was fair and a large crowd assembled to witness the game. The Kinsale boys were first to bat and failed to score. In the 1st inning Leonardtown made one run, Knott scoring on a single by Tranchard. In the second inning Kinsale went out in 1, 2, 3-order, their batters failing to connect with M. Dent's pitching. Leonardtown scored in the 3rd, 4th and 5th innings, while Kinsale kept up to the end its record of 0.

In the 8th inning, our boys made 4 runs. The features of the game were Dent's and Tranchard's pitching, "the catching" of Tranchard and Lewis, the first base work of Knott and the fancy catch of Atwell's high fly in the 7th by Jones.

Tranchard's pitching, "the catching" of Tranchard and Lewis, the first base work of Knott and the fancy catch of Atwell's high fly in the 7th by Jones. The crowd relieved Dent in the 7th and did good pitching until the end of the game. Daniel Combs was umpire and the visitors had never an occasion to complain of his decisions. Tranchard behind the bat is a tower of strength and holds anything that comes his way that is possible to reach. From start to finish the game was interesting and the visiting club was so clever and agreeable that it won and deserved the applause of the spectators irrespective of sympathies. The score by innings follows:

Innings, 1 2 3 4 5 6 7 8 9  
Kinsale 0 0 0 0 0 0 0 0 0  
Leonardtown 1 0 1 1 0 0 4 x-8

The players were: Leonardtown, Loker, M. 2n; Westcott, s. & p.; Knott, 3rd; Tranchard, c.; Jones, 1b.; Combs, 1b.; W. B. Wise, r. f.; G. Dent, r. f.; M. Dent, p.; Loker, H. c. f.

Kinsale, Pearson, 1b.; Carey, 2b.; W. Hudson, 1. f.; Hogan, c. & f.; Lewis, s. & p.; M. Hudson, r. f.; Newsome, c. f. & p.; Hardwick, r. f.; Atwell, 3b.

We hope the Kinsale boys will soon repeat their visit to Leonardtown and the next time they come will bring some of the Kinsale ladies with them. When the gentlemen are so gallant, the ladies must be surprisingly fair and we are anxious to see them in our ancient town.

Mechanicsville vs. Bryantown. (Correspondence of the Beacon.) The game of ball between Bryantown and Mechanicsville Friday last on the grounds of the latter was intensely interesting and close to the finish, and resulted in a victory for Bryantown by 5 score of 7 to 6. Never was a game more in doubt and uncertain than was this one, for when the Mechanicsville boys went to the bat at the end of the ninth inning the score was 5 to 7. Then came a run, two men out with a man on third base, needing only a single to tie the score; but "the single they longed for never came," for the next man up batted to short and was thrown out. While the game went to Bryantown there are several disinterested players, some of which have umpired games, who are of the opinion the score should have been 6 to 5 in favor of Mechanicsville, as an unfortunate decision allowed Bryantown her first two runs. The decision referred to occurred about the last half of the 3rd inning, with Bryantown at the bat. Two men had batted safely and were on 1st and 3rd bases respectively, then came a long drive by 3rd base, which, from the umpire's position, looked fair, and was called a strike, bringing on a line from home to 3rd base, it seemed a foul, causing the difference in opinions as to what score. It is useless to attempt singling out good players on either side, for they all played good ball, and deserve credit for putting up one of the prettiest games ever played in Southern Maryland, and at no time during the game was there the slightest unpleasantness, as all seemed to enter into the game as they should have done in a friendly and gentlemanly manner. Denton Higgs pitched the entire game for Mechanicsville and finished in as fine form as he started. Messrs. Edelen Bros. pitched for Bryantown and were effective.

Play ball, boys, for all there is in you, and continue to remember, although your suit may change your appearance, your words and actions are judged just the same, and that energy, gentlemanly conduct and good fellowship will continue to make baseball a success.

Oakville Items. (Correspondence of the Beacon.) The Annual Picnic of the Mt. Zion M. E. Sunday School took place on Thursday last, and despite the threatening weather, quite a crowd assembled and all enjoyed themselves hugely. The protracted meetings of the colored Baptists came to an end on Sunday last. The meetings were well attended.

The colored Camp Meeting will commence on Sunday 26th, instant, on the old campground, near Oakville, on the old campground. A new saw mill is being erected at Oak Hall, by Capt. John H. Buckler. We know of no better location for an enterprise of this kind.

Miss Nellie and Anna Reynolds, of Baltimore, are visiting Mrs. Justice Byder, of Sand Gates. These young ladies, who have visited our county frequently, by their charming and winning manners have endeared themselves to the hearts of many. We are always glad to welcome them.

Much regret and indignation is being expressed at the removal of our public school teacher, Mrs. Charlotte Wallace, near Lodeley. To say that the action of the Board of Trustees is reprehensible in the extreme to the patrons, is a mild designation of their conduct, the patrons wishes being entirely ignored. We trust, however, the next teacher will prove as satisfactory as her predecessor.

H. E. Graves and wife, of Washington, are visiting Mrs. E. T. Graves of "Oak Hall."

Miss Annie Moran is visiting her brother, Thomas Moran, of Prince George's county.

Miss Helen Graves has just returned from an extended visit to friends in Baltimore. Harry Robinson, traveling salesman for Wm. Deitch & Co., and for the Bauerschmidt Brewery, has completed and now occupies his handsome new residence.

If you have a baby in the house you will know the best way to check any unusual looseness of the bowels, or diarrhoea so common to small children. O. P. M. Holliday, of Deming, Ind., who has an eleven months' old child, says: "Through the months of June and July our baby was teething and took a running course of the bowels and sickness of the stomach. His bowels would move from five to eight times a day. I had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house and gave him four drops in a teaspoonful of water and he got better at once." For sale by Greenwell & Drury, Leonardtown.
