

Saint Mary's Beacon
COUNTY NEWS.

Localwise and Otherwise.

Lieutenant E. D. Bostick returned to Leonardtown, Wednesday morning last. We were much pleased to see him.

There will be services at Poplar Hill church Sunday next, October 6th at 10:30 a. m., and on the Island, same day, at 3:30 p. m.

Rev. Father Fullerton, S. J., of the St. Inigo's Mission, was in Leonardtown, this week. His friends were delighted to see him.

Hereafter the Weems' line steamers will leave Leonardtown at 6 a. m.; Miller's at 4 p. m.; Grason's at 5 p. m., and Bacon's at 6 p. m.

Superintendent Fisher, of the D. F. Smith Co., will turn the Court House over to the County Commissioners to-day, (Thursday) October 3.

At this writing there are four prisoners in the county jail awaiting the coming term of Court. There will likely be more before Court convenes.

School Examiner Joy has gone to Annapolis to attend the meeting of the Anne Arundel Institute. Mr. Joy will read a paper before the Institute.

William J. Bean, of Valley Lee, has been appointed Republican member of the Board of Supervisors of Elections, vice Aloysius E. Bowling, resigned.

Misses Mary and Claudia Grason, of Dydard, returned on Sunday from "Cross Manor," where they have been visiting their cousin, Charles S. Grason.

The ceremony of turning over the Court House to the county will, we understand, be simple. Some speeches will, we expect, be made on the first day of Court.

Captain Asa A. Lawrence and wife have returned from their trip to Ohio and the Pan-American Exposition. The Captain says that he enjoyed the trip very much.

Dr. Lynch, the racing horse of A. B. Snye, Benedict, is reported to have won four out of six races and came out second once, and third once at the recent races at Timonium.

Rev. Father Leinhan, S. J., lost Tuesday, September 24th, ultimo, on the road to Sacred Heart Church, his black storm coat. The finder will please return it to him at Leonardtown.

We believe from all we can learn that a telephone line will soon be in operation from Leonardtown to Mechanicsville and thence to Baltimore and Washington. Help the good cause along.

Tuesday last was the first day of registration for the year 1901. The only other day on which you can register this year will be next Tuesday, October, the 8th. Don't neglect this important duty.

Recently, Gough Tippett, clerk for F. Oscar Morgan, sold to a colored customer a pair of No. 14 fine shoes, and the buyer said he would like them better if they were larger. How is this for feet?

We learn with regret from the La Plata Times-Crescent that J. Camillus Howard, of Faulkner, had the bone of his forearm broken, Monday, September 23rd, ultimo. We wish him a speedy recovery.

In the first precinct of Leonardtown district, there were 10 names added to the list and 4 transfers given; in the second precinct, there were 10 names added, and 1 transfer given to the 6th district.

We note that School Examiner Stone of Prince George's county, has been selected by State Superintendent Stephens to come to St. Mary's and attend the Institute to be held here sometime during this month.

Democratic headquarters will be established in Leonardtown and the campaign will be a lively one from start to finish. Democrats are confident of success, but they mean to take no risks and will leave no stone unturned.

Convocational services will be held in Saint Andrew's Parish, on Thursday, October 3. Morning and afternoon services at St. Andrew's church, beginning at 11 o'clock and at St. Peter's Chapel, Leonardtown, at 7:30 p. m.

One day last week one of the most popular young ladies of this town expressed a wish for a piece of young rabbit. Fourteen minutes after, the young "flea" had been hunted down, killed and cleaned and sent to the young lady.

J. Bean Tippett, of Valley Lee, reports some few cases of meningitis among horses in the lower part of the county. We hope there will not be another such epidemic as last year. Messrs. Harris, Trossbach and Biscoe are reported to have lost horses recently.

Read the County Levy printed on our first page. It is printed for the information of the tax-payers and they should go over it carefully and scrutinize the expenditures. We think there are few typographical errors in the statement, for we diligently compared the proofs with the book.

The Times-Crescent reports that several colored families in the neighborhood of Hill Top, Charles county, have small-pox. Dr. Cecil has ordered the infected premises to be quarantined. Precautions should be taken to prevent the disease extending to our county. Vaccination is the accepted preventative.

Real Brothers, of St. Inigo's, have a fine "Jack," at their place. The Jack came from Col. Brown, of Virginia, and is of fine stock. It is said that mules are immune as regards the so-called meningitis and it seems to us that it would be a good thing for our farmers to have mule teams instead of horses. Here is a show.

Frank Libby & Co., Washington, have sold out all their 5x20 shingles and can get no more to sell at \$4.50.

Friday last, the Republican Committee to fill vacancies on the ticket met in Leonardtown and selected Thomas J. Farr, of Chaptico, as the candidate for County Commissioner, vice Lewis K. Mattingly, resigned; and Lewis C. Thompson, of Leonardtown, for County Surveyor, vice George Bennett Dent, resigned.

This year at the request of a number of dredgers and to enable them to begin work at the opening of the season, Comptroller Hering will commence issuing dredging licenses on Monday next, October 1st. Heretofore the Comptroller's office did not begin issuing dredging licenses until the 10th of October.

Tuesday last was "Ladies' Day" at the new Court House and numbers of them went through the building and examined it. All that we have heard speak of it, think it a handsome and convenient building. Without dissent they want it made a penal offense to spit on the floor or for anyone to write a name on the walls.

Your arrangements to come to Leonardtown, Monday, October 14th, instant, Hons. Alouzo Miles, Lloyd Wilkinson and John S. Wirt will be here on that date and will address their fellow citizens on the questions of the hour. They are a few of the most eloquent men in the State and it will be worth your while to hear them.

Wednesday last, Miss Martha Lee Parsons, daughter of J. Hilary Parsons, of Chaptico district, was married to Mr. John C. Wescott, son of Senator Wescott, of Kent county. The bride is one of the prettiest of our St. Mary's ladies and the groom, during his sojourn in our county, has impressed all who met him by his unvarying courtesy. We wish the newly wedded couple much happiness.

The matter of detail of selecting the route for the line was left to the executive committee, subject to the approval of the board of directors.

A motion was made and carried that a petition be presented to the County Commissioners exempting the poles and wires from taxation for three years.

On motion, the meeting adjourned. C. R. MORGAN, Secretary.

Harry Happenings. (Correspondence of the Beacon.) Thanks to the energy of its inhabitants, Hurryville is one of the most prosperous little villages in the county. It's two stores—one kept by Hurry Brothers, and the other by M. E. Wheeler—both do a good business. Six years ago it was one of the most forsaken places in St. Mary's. Now there are about 40 people residing here and many families own their lots and dwellings. The bulk of the population is colored but they are good and useful citizens. Among the inhabitants are two school teachers, two carpenters, two masons; a shoemaker, and some of the most practical farmers in the county. Miss Emily Hurry, I regret to hear, is quite sick.

Mr. and Mrs. D. C. Hodges have returned from a visit to friends and relatives in Washington. Miss Zora Long and Willie Howe, who have been visiting in this neighborhood, have returned to Washington.

The other day a young man walked into Hurry's store with ten cents in his hand. The storekeeper noticed him and took the ten cents out of his fingers and swallowed it.

Mr. Lewis Davis and family, of Budd's Creek, spent Sunday with his sister, Mrs. T. J. M. Lawrence. Most of our farmers are busy preparing their land for wheat.

There is a good deal of sickness in the neighborhood and doctors are kept busy.

The mania for trading is strong in this section. Recently one of our young men traded a young steer for 20 turkeys and the next day swapped part of the turkeys for other live stock.

The colored festival held in the Hurry hall, Wednesday last, was quite a success. J. R. P.

Dydard Items. (Correspondence of the Beacon.) Harrison, the older child of Mr. Robert Freeman is, we are sorry to say, quite ill, but we hope he will soon recover.

Little Miss Grace Herbert, who spent the summer in Baltimore, has returned to her home at Clements. Mr. Jerry Stone, who has been visiting his home, "Grampan," has gone to Norristown, Pa.

Mrs. George, of Baltimore, is visiting the family of Mrs. Grason.

Miss Florence Woodburn, is visiting her sister, Mrs. Cora Goode.

Mr. William A. Lyon has just returned from a short trip to Baltimore. He brought a gun to his little grandchild, William, who has great sport shooting squirrels.

The young boys around this place seem to have great fun rabbit and opossum hunting, especially A. and C. HANDY-ANDY.

Hymenial. (Correspondence of the Beacon.) A pretty wedding took place in this village Wednesday, Sept. 25th, ult. The contracting parties were Miss Theodosia Owens, of the 7th district, this county, and Mr. Oscar M. McCauley, of Baltimore. The bride wore a becoming dress of white silk trimmed with lace and pearl trimming. Miss Margery Weaver, a schoolmate of the bride, was bridesmaid, and was beautifully dressed in white, with hat and gloves to match. Mr. Medley Owens, a brother of the bride, acted as best man. A reception was held at the bride's mother. Quite a number of friends and relatives of the bride and groom were present. Mr. and Mrs. McCauley left Sunday on the steamer for Boston to spend two weeks, and will return to Baltimore, their future home. The presents were numerous and beautiful. We wish the young couple much happiness. ***

Personal. Captain A. A. Lawrence and wife, of our city, returned Friday last from an extended visit to Cleveland, where the Captain took part in the great parade of the G. A. R. National Encampment. They visited relatives and friends in Cleveland, Berea, Dover Bay and Madison, Ohio; Buffalo, N. Y., where they saw the Pan-American Exposition; they went to Niagara and saw the Falls and up the Rapids to Chippewa, Canada, and down the Gorge to Lewiston. They are very much improved by the trip.—Enterprise.

Capt. Fred A. Keeler, of Compton, is reported to be quite sick. We sincerely hope that he will soon regain his health. Mr. Keeler was very popular with all who knew him. Claude Abell, of Patuxent, is now employed at Moore's Hotel. Mr. Abell is polite and popular and will be quite an acquisition to the Hotel.

Early Fall Millinery, Dress Goods and Trimmings.—Early fall styles of dress goods, notions, trimmings and hats can be found at L. A. Jones & Son. Also, a full stock of underwear, shoes, coats and capes, gents' furnishings, etc.

Has it ever occurred to you that life insurance provides in case of death the money you would have earned had you lived?

It Happened in a Drug Store. "One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend." I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy. The remedy owes its great popularity and extensive sale in a large measure to the personal recommendation of people who have been cured by its use. It is for sale by Greenwell & Drury, Leonardtown.

"Fall Opening." L. A. Jones & Son take pleasure in announcing to their friends and customers that they will have their Fall Opening the first three days of Court namely, Monday, Tuesday and Wednesday, and will exhibit the latest styles in Millinery, Dress Goods, Trimmings, Hats, Coats and Caps. Children's coats a specialty. Golf and other capes, Ladies' and children's Shoes, Neckwear, Belts, etc. A souvenir as usual will be given every customer. The public cordially invited to call and receive their souvenir.

In taking life insurance be sure to select the company that pays the largest dividend. Surplus means strength and dividend earning power. The Equitable leads all of its competitors with a net surplus of \$66,803,066.01, our closest competitors having \$56,280,683.25 and \$42,066,365.91 respectively. The Equitable's ratio of surplus to liabilities is 28.05 per cent. while the next largest are 20.95 per cent. and 19.35 per cent. Can there be any question as to which company to select?

A new remedy for biliousness is now on sale at Greenwell & Drury's store. It is called Chamberlain's Stomach and Liver Tablets. It gives quick relief and will prevent the attack if given as soon as the first indication of the disease appears. Price, 25 cents per box. Samples free.

You Can Lead a Horse to water but you can't make him drink.

You can't make him eat either. You can stuff food into a thin man's stomach but that doesn't make him use it.

Scott's Emulsion can make him use it. How? By making him hungry, of course. Scott's Emulsion makes a thin body hungry all over. Thought a thin body was naturally hungry didn't you? Well it isn't. A thin body is asleep—not waking—gone on a strike. It doesn't try to use its food.

Scott's Emulsion wakes it up—puts it to work again making new flesh. That's the way to get fat.
