

**SAMPLE TICKET.**

The following list of nominations for Congress have been certified to us and are published in accordance with the provisions of Chapter 133, Section 44 of the Acts of 1902.

**WALTER B. DENT,**  
**JOSEPH T. GOUGH,**  
**PERRY HAYDEN,**  
Supervisors of Elections for St. Mary's County.

**GEORGE L. BUCKLER,**  
Clerk to the Board.

For Representative in the 58th Congress of the United States from the Fifth Congressional District of Maryland:

[Vote for One.]

BENJAMIN HARRIS CAMALIER, OF ST. MARY'S COUNTY, DEMOCRATIC
SYDNEY E. MUDD OF CHARLES COUNTY, REPUBLICAN
SAMUEL R. NEAVE, OF CHARLES COUNTY, PROHIBITION

**To the Democrats of Maryland.**

Election day will be on Tuesday November 4th. The polls will be open at 8 o'clock A. M., in the counties, and close at 6 o'clock P. M.

In Baltimore City they open at 6 o'clock A. M., and close at 5 o'clock P. M.

It is our hope that every registered Democrat will go to the polls as early as he can and vote.

See that the ballot given you has endorsed upon it the initials of the Judge who gave it out.

Vote the ticket by marking a cross (X) mark in the space provided therefor to the right of and opposite to the name of the Democratic candidate for Congress.

There is only one office to be filled at this election, therefore your ballot should be marked with only one cross (X) mark.

Make the cross (X) mark within the square provided for the purpose, namely, to the right of the name of the Democratic candidate for Congress.

Do not let the cross (X) mark extend beyond the square: make it entirely inside the square.

Do not make any other mark whatever on the ballot; if you do your ballot will not be counted.

Any mark whatever on the ballot except the cross (X) mark, whether in the square or out of it, will cause the ballot to be rejected.

Do not make a dot or circle or any other mark but a cross (X) mark in the square.

If you mark any square on your ballot with any kind of a mark other than the cross (X) mark *entirely* within the square, your ballot will not be counted.

Be sure not to deface or tear your ballot in any way.

If you make a mistake in marking it, do not attempt to make a correction; return it to the Judge and get another. You are entitled to a third ballot if the first two have been spoiled and returned, but you must not consume more than seven minutes in marking it.

Mark your ballot with the indelible pencil which you will find in the election booth.

Do not use your own pencil; your ballot will not be counted if you do. After marking your ballot, fold it exactly as it was folded when handed to you by the Judge; and give it to the ballot Judge without permitting any one to see how you have marked it.

See that the Judge tears off the coupon and deposits the ballot in the ballot box.

MURRAY VANDIVER,  
Chairman State Central Committee.

**A Typical South African Store.**

O. R. Larson, of Bay Villa, Sundays River, Cape Colony, conducts a store typical of South Africa, at which can be purchased anything from the proverbial "needle to an anchor." This store is situated in a valley nine miles from the nearest railway station and about twenty-five miles from the nearest town. Mr. Larson says: "I am favored with the custom of farmers within a radius of thirty miles, to many of whom I have supplied Chamberlain's Remedy. All testify to their value in a household where a doctor's advice is almost out of the question. Within one mile of my store the population is perhaps sixty. Of these, within the past twelve months, no less than fourteen have been absolutely cured by Chamberlain's Cough Remedy. This must surely be a record." For sale by Greenwell & Drury, Leonardtown.

The protective tariff has transferred the wealth from the pocket of the masses to those of the few. The few have formed trusts for the enhancement of their own profits to the greater disadvantage of the masses. The masses have lost their influence in Congress because the golden accents of the trust proprietors alone can reach the ear of the solons.

The Parson—My boy, I'm sorry to see you flying your kite on the Sabbath day.

Small Boy—Dat's all right, mister. Dis kite's made uv a 'ligious paper. See.

"When the Republican party is in power labor strikes, and when the Democratic party is in power capital strikes. Every capitalist knows that the advent of the Democratic party to power is a signal to the business public to take in sail."—*Senator Foraker in his recent Akron Ohio speech.*

Exactly! Capital strikes at the Democratic party because capital knows the Democratic party will legislate in the interest of the producer and the consumer. Labor strikes because the Republican party legislates in the interest of the few, and has allied itself with capital, in order that a few plutocrats may plunder both the producer and consumer.

**Stricken With Paralysis.**

Henderson Grimmer, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost cured.—Geo. R. McDONARD, Man, Logan county, W. Va. Several other very remarkable cures to partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. For sale by Greenwell & Drury, Leonardtown.

A Spanish war veteran recently tried to get a pension because he had corns. The decision of the government department was as follows: "Corns are inconvenient, but are seldom incapacitating, and when they are the remedy is simple and within the reach of anyone. The soldier's patriotism ought not to terminate with his military service. It should prompt him to go to a chiropodist rather than to the pension bureau."

**The Sentence.**

A gentleman now living in this city tells the following story of a negro in Tennessee whose son had been convicted of killing a fellow workman. A few days after the trial the father was asked what disposition had been made of the case.

"Oh," he answered, "dey done send Johnson to jail for a monf."

"That's a light sentence for killing a man, don't you think?"

"Yes," answered the darkey, "but at de end ob de monf dey done goin' to hang 'im."

**CHAMBERLAIN'S COUGH REMEDY**

Saved His Boy's Life.

"I believe I saved my (nine year old) boy's life this winter with Chamberlain's Cough Remedy," says A. M. Hoppe, Rio Creek, Wis. "He was so choked up with croup that he could not speak. I gave it to him freely until he vomited and in a short time he was all right." For sale by Greenwell & Drury, Leonardtown.

Army Paymaster General Bates approximates the cost of the war with Spain on account of pay to volunteers and regulars and mileage to officers was \$73,663,440. This does not include the cost of the navy.

**Bad Coughs**

"I had a bad cough for six weeks and could find no relief until I tried Ayer's Cherry Pectoral. Only one-fourth of the bottle cured me."

L. Hawn, Newington, Ont.

Neglected colds always lead to something serious. They run into chronic bronchitis, pneumonia, asthma, or consumption. Don't wait, but take Ayer's Cherry Pectoral just as soon as your cough begins. A few doses will cure you then.

Three sizes: 25c, 50c, \$1. All druggists.

Consult your doctor. If he says take it, then do so. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.
