Love Tries Tempers.

It may be very delightful to be in love, but ask a mother what she and the household generally have to put up with when one of the family falls in love, and you will hear another side of the question.

Ella, who has always been so calm and easy-going, suddenly begins to get peevish and snappy, or at a look of mild reproach from her mother bites her lips, then rushes out of the room with a flushed face.

The girl who is always quiet and has no voice whatever, shouts and sings about the house snatches and jumbles of every tune she has ever heard.

The serious boy begins to take notice how his sisters are dressed, to voice his dislike of the way they do their hair, finds fault with household arrangements that have hitherto been essential to his comfort, and so on.

A mother knows what is the matter long before the boys and girls do themselves, but because she understands it does not make things much easier to bear. In spite of its sweetness, beauty and tenderness, love in its early stages at least, has a most trying effect on the temper, and it is oftentimes somewhat difficult to put up placidly with the whims and fancies, cold breezes and feverish furies of a pair of undeclared lovers.

A Bloodless Duel.

"Private" John Allen of Mississippi says that two lawyers in his district had a difficulty, and common friends decided that nothing but blood letting could settle the matter. Consequently a challenge was sent, duly acknowledged and the hour set for duel. One of the principals was a sufferer with St. Vitus' dance, and when they faced each other the afflicted man trembled from head foot, and his pistol arm described more intricate curves than ever mathematician plotted. His adversary was perfectly cool and immovable. But before the signal to fire was given the man of self-possession laid his pistol down on the grass, walked into the woods, cut a stick with a fork at one end of it, then stuck it in front of the victory of St. Vitus, and said to his second: "I must request that you ask your principal to rest his pistol in that fork."

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly readjust this. It's gentle, yet thorough. Only 25c at all drug stores.

A Power For Good.

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot, of Albany, Ga. says: "During a bilious attack I took one of Small as it was it did me more good than calomel, blue mass or any other pill I ever took and at the same time the effect was pleasant. Little Early Risers are certainly an ideal pill." Sold by Loker & deWaal.

Bucklen's Arnica Salve.

Has world-wide fame for marvelous cures. It surpasses any other salve, lotion, ointment or balm for Cuts, Corns, Burns, Boils, Sores, Felons, Ulcers, Tetter, Salt Rheum, Fever Sores, Chapped Hands, Skin Eruptions; infallible for Piles. Cure guaranteed. Only 25c at all Drug-gists.

Her Cheek.

"I like your cheek," said the indignant maiden to the youth who kissed her. "And I like yours," said he as he kissed her again.

A Stitch In Time.

This old adage applies to disease as well as to dress. One dose of Rydale's Elixir will arrest a cold or an attack of Pneumonia or LaGrippe and prevent their development. Keep a bottle of Rydale's Elixir in the house, so the "stitch" can be taken in "time." Loker & deWaal.

Investing Money.

Don't tie yourself or your money up. Don't risk all your savings in any scheme, no matter how much it may promise. Don't invest your hard earned money in anything without making a thorough and searching investigation. Do not be misled by those who tell you that it is "now or never" and that if you wait you are liable to lose the best thing that ever came to you.

Make up your mind that if you lose your money you will not lose your head and that you will not invest in anything until you thoroughly understand all about it.

There are plenty of good things waiting. If you miss one there are hundreds of others. People will tell you that the opportunity will go by and you will lose a great chance to make money if you do not act promptly. But take your time and investigate.

Make it a cast iron rule never to invest in any enterprise until you have gone to the very bottom of it, and if it is not so sound that level headed men will put money in it do not touch it.

The habit of investigation before you embark in any business will be a happiness protector and an ambition protector as well.—Orison Sweet Marden in Success.

A Kindly Heart.

The tenderest heart may exist in spite of the roughest exterior. A little fox terrier had been left outside a Boston store by its owner. Evidently the dog had not been long in the city, for it trembled with fright at being out of the protecting presence of its master. As it lay crouching in the doorway a huge laborer came along. Reaching down pityingly he stroked the wee animal, speaking a few soothing words at the same time. The result was that the fear in the dog's heart subsided. It wagged its tail knowingly, and licked the kind-hearted man's hand. When it was left alone it sat up bravely, as though feeling assured that human beings would do him no harm.

What is Life?

Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly readjust this. It's gentle, yet thorough. A Chicago pork-packer whose pen name was raised to \$25, exclaimed, "Great Caesar! Here's a nice state of affairs—the gospel going up and pork going down. What's to be come of us?"

"Oh, John," sobbed the young wife, "I baked some cakes to-day and that wretched little Fido has eaten them all."

"Well," replied the heartless husband, "I'm glad the little brute's dead. I never did like that dog anyhow."

A Remarkable Record.

Elliott's Emulsified Oil Liniment has made a remarkable record as a cure for stiffness of muscles and joints. It matters not whether the trouble was caused by a sprain or strain, rheumatism or other causes. It will relieve the soreness and pain at once and soon reduce the swelling and remove the stiffness. Every bottle is guaranteed. Full half pint bottle 25 cents. Loker & deWaal.

"Poor old Versely died last night." "Indeed?" "Yes, he turned over and died without a struggle."

"Well, he died easier than he lived, then."—New Orleans Picayune.

Mrs. C.—Do you believe that cures can be effected by the laying on of hands?" Mrs. A.—Certainly. I cured my boy of smoking in that way."

RYDALE'S TONIC

A REAL CURE FOR MALARIA. It has recently been discovered that the germs that produce Malaria, breed and multiply in the intestines and from there spread throughout the system by means of the blood. This fact explains why Malaria is hard to cure by the old method of treatment. Quinine, Iron, etc., stimulate the nerves and build up the blood, but do not destroy the germs that cause the disease. Rydale's Tonic has a specific effect upon the intestines and soveles, freeing them from all disease breeding microbes. It also kills the germs that infect the veins and arteries. It drives from the blood all poisonous matter and makes it rich and healthy. RYDALE'S TONIC is a blood builder, a nerve restorer, and a Malaria destroyer. Try it; it will not disappoint you.
