

Saint Mary's Beacon

Force of Habit.
The talented star dropped the paper and laughed merrily.
"Where did our new press agent come from?" she asked, with a twinkle in her sparkling eyes.
"Oh, some one-horse town in the East," replied her manager.
"Thought so. I'll wager an automobile against an Egyptian cigarette that he wrote up all the halibut stories for the local papers."
"Why so?"
"Because he describes my diamonds as being the size of hen eggs." Columbus Dispatch.

The Very Best Remedy for Bowel Trouble.
Mr. M. F. Borroughs, an old and well-known resident of Bluffton, Ind., says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." This remedy is almost sure to be needed before the summer is over. Why not buy it now and be prepared for such an emergency?
J. A. Foxwell.

How to Get Rid of Flies and Mosquitoes.
An entomologist in the Hartford (Conn.) Times writes that the persistent use of oil of lavender will drive flies out of a house, and an application to face and hands at night before retiring will, no matter how many mosquitoes there may be in the bed-room, drive them from the sleeper. Buy five cents' worth of oil of lavender, mix with the same amount of water, and use a small atomizer to spray it.

Deadly Serpent Bites
are as common in India as are stomach and liver disorders with us. For the latter however there is a sure remedy: Electric Bitters; the great restorative medicine, of which S. A. Brown, of Bennettville, S. C., says: "They restored my wife to perfect health, after years of suffering with dyspepsia and a chronically torpid liver." Electric Bitters cure chills and fever, malaria, biliousness, lame back, kidney troubles and bladder disorders. Sold on guaranteed by all druggists. Price 50c.

Safe.
Sitting up in bed, the frightened wife listened anxiously for a moment and then whispered:
"John! John! Wake up! There's a thief in the house."
"Oh, that's all right," grunted the husband. "I fixed that thief before I went to bed."
"What on earth do you mean, John?"
"I turned the valve and the blame thing won't work to-night."

Death From Lockjaw
never follows an injury dressed with Bucklen's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant, of Kennelsville, N. Y., writes: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures Cuts, Wounds, Burns and Sores. 25c at all drug stores.

"Going to send your boy on an ocean trip, are you?"
"Yes; if there is anything in him I think a long sea voyage will bring it out."
"It will for the first few days anyhow."—Houston Chronicle.

An Alarming Situation
frequently results from neglect of clogged bowels and torpid liver, until constipation becomes chronic. This condition is unknown to those who use Dr. King's New Life Pills; the best and gentlest regulators of Stomach and Bowels. Guaranteed by all druggists. Price 25c.

The full moon flooded the porch with shafts of steel-blue rays. It was late, but he showed no signs of departing.
"It has been said," he remarked dreamily, "that the moon is dead."
"Is that any reason," she inquired with a gasp, "why we should sit up with the corpse?"

If your stomach troubles you do not conclude that there is a cure, for a great many have been permanently cured by Chamberlain's Stomach and Liver Tablets. Try them, they are certain to prove beneficial. They only cost a quarter. Sold by Tippet, Johnson & Foxwell.

An Expert Opinion.
"Will alcohol dissolve sugar?"
"It will," replied Oalde Soaque; "it will dissolve gold, brick houses and horses and happiness and love, and everything else worth having."

It is reported that Lieut. Gen. Nelson A. Miles is now sending marked copies of the daily press concerning the latest packing-house scandals to his former fellow-officer, ex-Chief of Commissary Egan, now indulging in dolce far niente away off in sunny Hawaii.—Herald.

Unfortunate.
"My dear man, what brought you to this unfortunate condition?"
"Mistaken judgment, sir," replied Harold Rocks, who occupied Cell No. 4114. "I stole a ham in front of de grocery by th' bank instead of getting a job in the bank and makin' me git away wid de depositors' dough."

When Noah Porter was president of Yale University he said to the students: "The object of an education is to teach young people to do what they ought to do, when they ought to do it, whether they feel like doing it or not." A pretty good definition!

If you knew the value of Chamberlain's Salve you would never wish to be without it. Here are some of the diseases for which it is especially valuable: sore nipples, chapped hands, frost bites, chilblains, chronic sore eyes, itching piles, tetter, salt rheum and eczema. Price 25 cents per box. For sale by Tippet, Johnson & Foxwell.

Learn Better.
"My daughter has learned one thing in her school this year," exclaimed the man, "and that is how to write a legible hand."
"How did it happen?" asked a friend.
"She kept writing home for money," said No. 1, "and I sent back word I couldn't read a word of her letters. It soon cured her of that Chinese chirography."—Detroit Free Press.

Pretty Near Right.
Markley—Wiseman told me to-day that I'd never get back that ten-spot I loaned you.
Grafton—He did?
Markley—Yes.
Grafton—Well, if it wasn't so expensive I'd make him out a list right now.

Science to the Rescue.
"I see here that a German professor claims that the time is coming soon when there will not be enough water on earth to support human life."
"Which only goes to show," replied Col. Kornfed, "that science sucks, backs up the judgment which true Kentuckians have always entertained."
