

Saint Mary's Beacon

What She Grasped.

The men on the street car with a newspaper happened to observe that the old lady next to him on the right seemed interested and he laid the paper aside and said:

"Madam, you have, of course heard of the Panama canal enterprise?"

"I—I think I have, sir," she replied.

"Think of it, madam—think of digging a great ship canal eighty miles long, and some of the way through hills fifty miles high!"

"Yes, sir."

"Think of the largest ships afloat passing through that canal!"

"Yes, sir."

"Think of the \$200,000,000 it will cost to complete the canal. think of the stupendousness of the whole enterprise! Can you grasp it, madam—can you grasp it?"

"Well, no, sir," she replied, as she hitched around some more. "No, I can't say that I can, but I've got half a dollar and am on my way to market, and if you'll please tell me whether I shall be a thousand times obliged to you."—Washington Post.

The Very Best Remedy for Bowel Trouble.

Mr. M. F. Borroughs, an old and well-known resident of Bluffton, Ind., says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it. This remedy is almost sure to be needed before the summer is over. Why not buy it now and be prepared for such an emergency? For sale by Tippet, Johnson & Foxwell."

Seven Sentence-Sermons.

If thou hast yesterday thy duty done And thereby cleared firm footing for today,

After crosses and losses men grow humble and wiser.—Franklin.

Every cup that holds a self-sacrifice is a Holy Grail.—Abbott.

Let knowledge grow from more to more! But more of reverence in us dwell; That mind and soul, according well, May make one music as before. But vaster.—Anon.

When we turn away from some duty or some fellow creature, saying that our hearts are too sick and sore with some great yearning of our own, we may often sever the line on which a divine message was coming to us.—Annie Deary.

If you knew the value of Chamberlain's Salve you would never wish to be without it. Here are some of the diseases for which it is especially valuable: sore nipples, chapped hands, burns, frost bites, chilblains, chronic sores, itching piles, tetter, salt rheum and eczema. The tourist leaned over the coach and critically surveyed the natives of the desert settlement.

"By Jove," exclaimed the tourist, "but that is a pompous looking individual in the scalloped hat and red handkerchief! Did he ever perform any great deed?"

"Well, I reckon he did," drawled the tall cowboy at the water tank.

"That thar 'un helped somebody to go to heaven."

"You don't say! Why, he doesn't look like a minister."

"Nor he ain't, mister; but when Uncle Tom's Cabin was here last they hired him to haul Little Eva up to paradise with a block and pulley."

An Alarming Situation frequently results from neglect of clogged bowels and torpid liver, until constipation becomes chronic. This condition is unknown to those who use Dr. King's New Life Pills; the best and gentlest regulators of Stomach and Bowels. Guaranteed by all druggists. Price 25c.

"Now, Johnny," said the teacher, "You may try your hand at writing a short story."

A few minutes later Johnny handed up his slate on which was written: "Us boys love our teacher."

Old Lady—"Little boy, aren't you ashamed to swear that way? Little boy—"Yes, ma'am. But I'm just learning. You order hear dad."

The Resurrection Clock.

One of the strangest of all clocks is the "Resurrection" clock of India. It has no dial, a gong being suspended in its place. Beneath this gong lie scattered on the ground skulls and bones enough to form twelve complete skeletons. At 1 o'clock the number of bones needed to form on complete skeleton come together with a snap; the skeleton springs up, seizes a mallet, and strikes the gong one blow. This done, it returns to the pile, and again falls to pieces. When it is 2 o'clock, two skeletons strike two. At the hours of noon and midnight the entire twelve spring up, and strike, each one after the other, a blow on the gong, and then fall to pieces as before.

Teacher—Now, Johnny, I don't believe you've studied your geography.

Johnny—No, mum; I heard passy the map of the world was changing' every day, an' I thought I'd wait a few years till things get settled.

Mrs. Jones—"I think it's the most ridiculous thing you call the man in the bank a 'teller.'"

Mrs. Johnson—"Why?"

Mrs. Jones—"Because he simply won't tell at all. I asked one day how much my husband had on deposit there, and he just laughed."

"My dear, I wish you wouldn't play baseball so much. I am sure it is an unhealthy game."

"Why, grandma?"

"Because I read in the paper of so many men dying on the bases."

A man is never too old to learn but is sometimes too young.
