The Reason Why
 We Sell More
Building Materials of all Kinds
Lumber and Mill Work
 Than Our Competitors
Is Because We Undersell Them

Our Prices are always less than the other fellow wants for the same goods. If you don't believe it, ask us for a price on something. We are after the business, and to get it we will give prices that can't be beat. Don't be misled on Quality and Grading. You know there's a difference, but you can't always detect it. The unscrupulous dealer knows this and takes advantage of your inexperience by giving you lower grade than you pay for. Our Quality is absolutely guaranteed. Our Grading is standard among the thousands who know. Send Us An Inquiry To-day.

We're out to undersell the other fellow and save you money—and we do it.

 OUR PRICES DEFY COMPETITION

When Buying Building Material

It is most important to consider the actual values gotten for the money spent.

We have devoted a great many years of careful study to this very point, and this work makes it possible for us to give better values and better service at the beginning of our 1911 season than ever before.

If you want Flooring, Siding, Ceiling, Mouldings, Sash, Doors, Blinds, Shingles, Laths, Lime, Portland Cement, Wall Plaster, Terra Cotta Pipe, Flue Lining, Nails, Glass, etc., it will pay you to inspect our stock and compare our prices, as you will find that our stock from the cheapest to the highest grade, is selected with the one idea of giving our customers good values for every cent spent with us. Mail orders and inquiries receive prompt and careful attention, and we furnish estimates promptly for Lumber, Mill Work and Builders' Supplies.

Short Crop of Cow Peas

Prices are going up. The enormous demand for Cow Peas last year carried the price very high, and as the crop is very short and the acreage is rapidly extending, there are many indications which point to much higher prices as the sowing season approaches.

WHIP-POOR-WILL COW PEAS.
 The Whip-poor-wills are generally preferred in the Central and Southern States. They are bush form, early maturing and especially desirable for Peas.

NEW ERA COW PEAS.
 New Era's are a little earlier, and make more vine than the Whip-poor-wills.

WONDERFULS, CLAYS AND MIXED COW PEAS.
 For Hay, the Wonderfuls or Mixed Cow Peas are more productive, they should always be planted with an occasional grain of Corn, Sorghum Seed, Kaffir Corn, etc., which will prevent the vines from getting damaged by coming in contact with the ground.

BLACK COW PEAS.
 Black Cow Peas are a little later in maturing than Clays, they make a good growth of vine, are exceptionally good for medium or poor land, and will stand almost any amount of wet weather without injury. We can also supply Sainfoyn Peas, Red Rippers, Blackeye Peas and Soja Beans. Remember Bolgiano's cow peas are unquestionably the best. If your local merchant will not supply you with cow peas, write us direct and we will tell you where you can get them. FREE—Send us 5c in stamps to pay postage, and mention this paper, and we will send you free a 25c package of "My Maryland" Tomato Seed, also our 1911 Catalogue of Seeds and our 1911 Catalogue of Poultry Supplies.

Strategy of a Virginia Fox.

A Virginian who is fond of studying wild animals in their natural surroundings once had an opportunity of seeing himself an example of the cunning for which the fox has become proverbial.

As the amateur naturalist was standing near the bank of a river one winter day he saw a fox run out upon the ice and make straight for a hole. At the edge of the opening he stopped, turned followed his tracks back to the bank, ran down the stream and paused to await developments.

In a little while a dog came tearing out of the woods with his nose close to the ice and snout. He followed along the ice with his head down, following the scent until he reached the opening. It was then too late to check his speed; he plunged into the water and was lost under the ice.

The fox meanwhile had waited in plain sight to watch the effect of his little trick. After the dog came into view the fox remained perfectly motionless until he saw his old enemy disappear. Then with a look on his face which seemed to combine a good-natured grin with a mild contempt, he went nonchalantly off about his business.

An Ideal Husband

is patient, even with a nagging wife, for he knows she needs help. She may be so nervous and run down in health that trifles annoy her. If she is melancholy, excitable, troubled with loss of appetite, headache, sleeplessness, constipation or fainting and dizzy spells, she needs Electric Bitters the most wonderful remedy for ailing women. Thousands of sufferers from female troubles, nervous troubles, backache and weak kidneys have used them and become healthy and happy. Try them. Only 50c. Satisfaction guaranteed by J. J. Norris, Leonardtown, Md.

Toys of Long Ago.

In the nursery of a newly-excavated house at Behnesia, Egypt, a fairly well preserved rag doll was found with arms and legs still intact, and painted face. The doll is by no means a beauty, and does not compare with the dolls of today, but, nevertheless, it must have brought joy to a little girl's heart nearly 2,000 years ago. The jointed dolls of long ago were made to sit down, stand up, and move their arms, but they didn't close their eyes or squeak "mamma." Among the toy dogs, horses and donkeys are some made of stone and baked clay, and others carved out of wood.

A Regular Tom Boy

was Susie—climbing trees and fences, jumping ditches, whittling, always getting scratches, cuts, sprains, bruises, bumps, burns or scalds. But laws! Her mother just applied Bucklen's Arnica Salve and cured her quick. Heals everything healable—Boils, Ulcers, Eczema, Old Sores, Corns or Piles. Try it 25c at J. J. Norris, Leonardtown, Md.

Extreme Old Age.

Senator Thomas S. Martin of Virginia says he is now in a position to appreciate the gift of the negro race for picturesque exaggeration.

He was driving along a country road near Alexandria, when he met an old negro whose venerable appearance attracted his attention.

"You are pretty old, aren't you, uncle?" asked the senator.

"I should say I is!" answered the negro.

"How old are you?"

"I don't know zactly," explained the old man deliberately, "but I is so old dat when I was a little boy de Potomac river was nuffin' but a little stream"—The Sunday Magazine.

For soreness of the muscles whether induced by violent exercise or injury, Chamberlain's Liniment is excellent. This liniment is also highly esteemed for the relief it affords in cases of rheumatism. Sold by all dealers.

Dangerous.
 Dear Mother: Unless you want to take on a son-in-law, you are earnestly advised against the swimming lessons you propose for Mary. It is far less dangerous, however, than a hug me tight runabout in June.

Height of Ocean Waves.

The height of ocean waves in a storm has long been a matter of dispute. As bearing on the question it is interesting to note the experience of the Mauretania, which arrived in New York twelve hours later after an exceedingly rough voyage. Her wheelhouse is eighty feet above the water line, yet a sea came aboard that broke six of its thick plate glass windows. Theoretically this would seem to prove that this particular wave was at least eighty feet high, for the reason that the steamship was running at the rate of twenty five miles an hour directly into the storm and therefore cutting through the waves rather than riding over them.

Lion Fondles a Child.

In Pittsburg a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through Colds, Croup, and Whooping Cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of Croup," writes Mrs. George B. Davis, of Flat Rock, N. C. "We always give it to him when he takes cold. It's a wonderful medicine for babies." Best for Coughs, Colds, LaGrippe, Asthma, Hemorrhages, Weak Lungs, 50c and \$1. Trial bottle free. Guaranteed by J. J. Norris, Leonardtown, Md.

His Limitations.

"And so you do not play ball with those rude boys on the commons? That is a good little boy. They use such horrid language. Why do you not want to play with them? Do you dislike the way they talk?"

"Yes'm. I ain't learnt to cuss well enough to empire, ner to play either; because the empire has to git back at the players, you know."

A Man Wants to Die

only when a lazy liver and sluggish bowels cause trifling despondency. But Dr. King's New Life Pills expels poisons from the system, brings hope courage, cure all Liver, Stomach and Kidney troubles; impart health and vigor to the weak, nervous and ailing. 25c at J. J. Norris, Leonardtown, Md.

His Explanation.

Insurance Adjuster (looking at the remains of the parlor furniture)—Is this all you managed to save out of the fire?

Owner (profusely apologetic)—Yes, sir. I am awfully sorry, but I kind o' felt that I really ought to get my wife and children out of the building first.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.

Newspaper advertising has solved the problem of diminishing returns. It has discovered the utter fallacy of trying to hit 90,000,000 people with magazine distribution that knows neither concentration nor conscience—Exchange.

Now is the time to get rid of your rheumatism. You will find Chamberlain's Liniment wonderfully effective. One application will convince you of its merits. Try it. For sale by all dealers.

"He Was a Bird."

Lady (at a bird fancier's)—And you guarantee that this parrot can talk?

Fancier—Talk! why, madam, I bought him from a woman's club, because all the members were jealous of him.—Yonkers Statesman.

Serve Facts Attractively.

The facts, it is true, must sell you goods, but why offer them cold? They can be made very tempting by warming them up a bit and serving attractively.

Charcoal Eph's Philosophies.
 "Ah ain't got no use," said Charcoal Eph, as he returned from his vacation, "for 'da man dat profess to be mah frien' with one han' an' slap mah sunburn wid de yudder! Take yo' han' off dat bilstah, Mistab Jackson!"

J. M. Howell, a popular druggist of Greensburg, Ky., says: "We use Chamberlain's Cough Remedy in our own household and know it is excellent." For sale by all dealers.
