Think It Over Seriously . . .
 It Will Be Time Well Spent

The best posted and most careful men in all sections have been steadily building and improving during 1911, and there is every indication that this work will continue on a still larger scale this fall.
 Think this question over seriously yourself and we believe that you will find that every dollar spent today will bring back a big dollar's worth in Lumber, Building Materials and Labor.
 We have enjoyed the largest demand in the history of our business for the last few months, and we believe that this indicates that the work is being done in our own section and that the trade appreciates our determination to give only the very best values in every article handled by us.
