PRINCE ALBERT the national joy smoke

SAY, you'll have a streak of smokeluck that'll put pep-in-your-smokemotor, all right, if you'll ring-in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot-smoke-joy until you can call a pipe by its first name, then, to hit the peak-of-pleasure you had square on that two-fisted-man-tobacco, Prince Albert! Well, sir, you'll be all-fired happy you'll get to see a photograph of yourself breezing up the pike with your smokethrottle wide open! Talk about smoke-sport! Quality makes Prince Albert so appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years all testify to the delight it hands out! P. A. can't bite or parch! Both are cut out by our exclusive patented process! Right now while the going's good you get out your old jimmy pipe or the papers and land on some P. A. for what ails your particular smokespot!

You buy Prince Albert everywhere tobacco is sold. These red lines, tidy red lines, hand down and hand down the hand down and the hand down that keeps the tobacco in each perfect cigarette.

Memorial Services for Lieut. Harry White Wilmer. Memorial services were held in Christ Protestant Episcopal Church, LaPlata, on Friday last, in memory of Lieut. Harry White Wilmer, Air Service, 20th Aero Squadron, A. E. F., who gave his life for his country in action over Argonne Forest, near Barriocourt, France, October 10, 1918.

At the conclusion of Bishop Harding's address, he introduced Canon DeVries, who, like the Bishop, paid a glowing tribute to America's part in the late war, commenting at length upon the heroism of the men and women of America, and especially praising those who had given their lives in the cause of humanity and justice on earth.

The Bishop left to his successor the special interest of the subject of the memorial services and introduced Canon DeVries as one who had more intimately known Lieut. Wilmer as a boy and man, as the speaker best equipped to address the congregation on the heroic conduct of the soldier in whose memory the services were being held.

St. Mary's 'Over the Top' Again. The Victory Liberty Loan rally in Leonardtown Tuesday proved that even if the war is over, this county is still sensible of her duty to bear her proportionate part to the obligations incurred in winning the war. It was a big crowd, both in the afternoon and at night, and a most enthusiastic and patriotic one that greeted the Motor Transport Corps and the Army tank and hugely enjoyed the exhibitions given by both.

The Transport Corps, in charge of Lieutenants E. V. Smith and H. M. Sturgeon, and comprising Sergeants W. C. Bruner, Anthony Cyback, J. K. Whelan, K. Fred W. H. Moody, J. C. Croak and Richard Brandina, Corporals P. Chambers and H. W. A. L. Voss, presented the moving picture, "The Price of Peace," at the Court House and took full charge of a grand selling drive that totaled \$5,800. Incidentally St. Mary's has the honor of subscribing the largest amount that has been obtained at all the rallies held so far have attended during the campaign.

It would be impossible to give too much credit to the "soldier boys" for the success of the rally. Expressions of admiration for both officers and enlisted men were heard on every side, and St. Mary's will be only too glad to extend the same hand to them again if they should honor us with a second visit.

The tank in charge of Corporal R. W. Weston and Private Lynn M. Berry was the object of general attention. In fact, it proved a very distinct feature of the meeting, largely due to its accommodating crew, who were most obliging in its demonstration and in explaining its mechanism.

About Rhenium

People are learning that it is only a waste of time and money to take medicine internally for chronic and muscular rheumatism, and about ninety-nine out of a hundred cases are one or the other of these varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents per bottle. Large size 60 cents.—adv.

For a Weak Stomach

As a general rule all you need to do is to adopt a diet suited to your age and occupation and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets.—adv.
