Interment was made in Congressional Cemetery.

—Times-Crescent.

**Baseball News**

On Saturday last Leonardtown and Oakley played a practice game at Leonard Hall, the former winning 7 to 1. Gibson, for Oakley, and Hodges, for Leonardtown, both pitched well, 7 hits being the total for the two teams.

Mechanicsville defeated Leonardtown for the third time on Sunday, score 16 to 5. Both teams batted freely, Leonardtown getting 9 hits and Mechanicsville 16.

On Saturday, Aug. 6, Newport, a Charles county team, comes to Leonardtown for a game at Leonard Hall at 3:30 p. m., and on the following day Sunday, Leonardtown plays Bel Alton at Leonard Hall. This should be an unusually interesting game, each having won one game so far, and both of them are on a hot streak.

**YOUR EYES!**

How about a new pair of glasses? I will be in Leonardtown on Tuesday, Aug. 9, for one day only, at Mr. Chas. Foxwell's. Anyone in the county not being able to get there to see me and wishing me to call at their homes can do so by addressing me either there or at my home.

**Tomato Pack Only 5 Per Cent Off Last Year**

Salisbury, Md., July 31.—The outlook in regard to the canning of tomatoes in Wisconsin county this year is particularly discouraging, owing to the grower and to the canner. Not only is the same true of Talbot and Somerset counties, as well as Wicomico, but the same situation is said to exist throughout the Eastern Shore.

The average in tomatoes last year in the county was somewhere between 6,500 and 7,000, while this year, as nearly as can be ascertained, the farmers have set out slightly upward of 300,000. In Talbot the acreage has been reduced from 9,000 last year to 650 this, and in Somerset the reduction is from between six and seven thousand to about 250.

The pack on the Eastern Shore at large will be only about 5 per cent of that canned last year. It is believed, and the conservative estimate of one of the largest canners in the East places the pack throughout the State at not more than 10 per cent of that of last year on the Eastern Shore, according to this same authority, will be the shortest ever known since the packing industry took its place among the business enterprises of the Peninsula.

In this factory there are about 31 canning factories, only six of which will be operated this season on tomatoes. The canners have tried to get their hands on the bulk of the tomato crop put up last year, which will improve the situation to a certain degree. Very few tomatoes have been contracted for this year by the canning-house men, the prices of these being 15 cents per five-eighths hamper, while last season the contract price was as high as 50 cents.

**News From the Seventh**

Mr. and Mrs. Frazer Palmer, Miss Louisa Ballou and Mr. John DeLoach, of Washington, were the week-end guests of Mr. and Mrs. S. E. F. Palmer, of Cherry Grove.

Mr. and Mrs. W. H. Mattingly, of Abell, are receiving congratulations on the birth of a bouncing baby boy. "He" is some proud "pop."

Messrs. John Hardin and Wade Long, of the Capital City, spent the week-end of relatives and friends in this section.

Mr. Geo. Goodwin, our local Bushwood butcher, will be pleased to supply you with fine, tender, juicy beef-steak from now on.

Messrs. John D. Young and Woodley Quade, have cut considerable tobacco.

The Oakley baseball team journeyed to Leonardtown Saturday and were defeated by the Leonardtown regulars by the score of 7 to 1. They also journeyed to Compton Sunday afternoon and walloped the Compton boys by the score of 15 to 5. They will play Mechanicsville Saturday, Capt. Larry Gibson and Manager Harvey Bailey have promised Leonardtown a game on their next meeting in the near future.

Mr. Richard Gode, accompanied by Mr. and Mrs. Kenneth Lyon, Miss Beatrice White and Miss Margaret Long, of the Capital City, spent the week-end at Mr. and Mrs. Adam T. White's.

The Seventh District Community Club will hold its annual picnic on Thursday, August 4, Misses Whittie Turner and Lillian DeLoach will have charge of the entertaining program. Prof. Gibson and Symons, of the Md. State College, will be there, and a fine time is anticipated. —Gamert.

**Chaplico Items**

Chaplico vicinity seems to have won a spell about the summer travelers, for it seems that never before have there been so many visitors in our midst, and we bid each a hearty welcome.

The Community Club held its monthly entertainment Thursday night and a large audience thoroughly enjoyed and appreciated the especially fine program, which was under the management of Mrs. Jos. P. Gibson and Mrs. John Leoder. The decoration was very artistic and looked quite like Scotland. A playette, "Seven Times Seven," was both interesting and instructive, representing seven stages of life from childhood on through love, motherhood, grief and loneliness. We were treated to some of the best selections on the violin by Rev. Dr. Whitmore. The amazing ease and freedom of his playing, firm and rhythmic, representing the most artistic patterns woven with a thread of iridescent flame, while his gracious personality so deftly fascinates those who are so fortunate to know him.

"A Little White Rose" was recited with grace and ease by Miss Catherine Taylor. Several songs, "Will O' the Wisp," "Hango Song," "Believe Me," etc., by Miss Levering, brought wonder into our very souls.

Then the "Four Seasons" were represented by tiny tots as leaves, and lassies as snowflakes and flowers, with the "Sun" at length shining forth and brightening and righting all. The costumes were very original and lovely. "Carry Me Back to Ole Virginia" and "The Best of the Worst" were charmingly sung by Miss Birdie Davis. These songs find an echo in each heart and it is proven that "Birdie" has the right name, and those that were not present cannot imagine what a delightful evening we spent.

Can you believe that "hard cash" is the most comfortable thing to "feather your nest"?

Mrs. Fred Davis has returned from Washington, where she attended the funeral of Mr. Billy Budd, formerly of this county. Our sympathy to his loved ones. —"Hope."

**CONGRESSMEN IMPRESSED WITH DRUM POINT HARBOR**

A subcommittee of the House Committee on Naval Affairs, which returned to Washington on Monday after a week end spent in inspecting the natural harbor at the mouth of the Patuxent River, was strongly impressed with the possibilities of this remarkable body of water. Congressman Sydney Mudd piloted the party, which made numerous soundings in the water around Drum Point and Solomons, to a depth of from 25 to 127 ft.

Discussing the availability of this body of water, members of this committee predicted that eventually either the Government or private enterprise would make use of it. The only drawback they could see was the absence of rail transportation.

Drum Point is considered by many persons to be the greatest natural harbor on the Atlantic Coast and its advantages will surely attract necessary attention at some time. The railroad problem, where a big project was concerned, would be comparatively easy of solution. To extend the railroad from Mechanicsville to Millstone or vicinity, would involve no engineering problem at all. The expense would be trivial when the many natural advantages of this location are considered.

**New Prices on Titan and International Tractors**

**Now Lowest Ever Quoted**

**EFFECTIVE immediately, we make another big reduction in the prices of Titan and International tractors. These reductions wipe out all former advances and place Titan and International tractors at the lowest prices at which they have ever been sold.**

**International 8-16 \$900**      **Titan 10-20 \$900**

This price is about one-fourth less than the price at which the 8-16 sold prior to March of this year. The new figure is the lowest at which it was ever sold. The new price includes all the necessary equipment—platform, fenders, governor, belt pulley—features which must be paid for extra on some tractors.

This is the lowest price ever quoted on the Titan, considering the equipment now included (formerly sold extra). Up to March of this year the price was \$1,200—today it is \$900. At this figure the Titan 3-plow tractor is the best value in the farm power field.

The International 15-30 has been reduced to \$1,750—lower than it has ever been before. The man who needs a 4-plow tractor cannot find a better investment than the 15-30 at this price. (All prices f. o. b. Chicago.)

Considering quality, power, equipment, and the service which follows every machine, Titan and International tractors at these new low prices are unquestionably the best buy in the tractor market.

As these prices have been made regardless of manufacturing costs, we do not guarantee to maintain them.

These prices certainly justify the immediate purchase of a tractor. Put it at the horse-killing work of hot weather plowing, and your fall and winter belt work.

See our tractor dealer for full information on deliveries and terms.
