Each entertainment has been voted a grand success by all who are attended. This month our club offers a whole days' pleasure by having a picnic at an ideal spot—"Lockland"—with plenty of oysters. The public are cordially invited to come and, mayhap, bring a basket of goodies, so that all may have an abundance of "treats." A dance will follow in the evening at Chapleo Hall, and, as usual, excellent music and refreshments. Thursday, August 26, is the date.

In the Sunday Star of Aug. 22, also do not fail to read a remarkable story telling of the vast work done by the coast and geodesic survey, its latest discoveries and inventions, some made public for the first time. In the same issue there will also be one of the best short stories of the year by Wallace Irwin and features by other well known writers, including Sewell Ford and Ring Lardner.

Baseball News

One of the most exciting and closely fought games of the season was staged at Leonard Hall on Sunday last when Leonardtown achieved its first victory over Mechanicsville in the fourth game of the series. Rivalry between these two teams has been of the keenest sort and it has been a "loser pill" to the Leonardtown players and rooters to accept defeat in three previous encounters.

Of course, this win means a lot, and it is not merely a long way towards "sweetening" the dose that Leonardtown has had to take in the former games, it helps a lot, and it certainly gave the loyal supporters of the local team a chance to do some "crowding" that they have been all set for ever since the season started.

Naturally, the game was not concluded without a "squabble." This is to be expected when both teams are playing at the highest tension and the interest of the rival rooters is keyed almost to the breaking point. It's part of the game (to be deployed, it's true, when it is carried to extremes, but it is typical of the great national pastime), and it is the physical expression of the frenzied excitement that distinguishes baseball from tennis and other sports.

While every man on the Leonardtown team helped contribute to the victory, Marion (Buck) Gough, the local left-hander, is entitled to a fair share of the credit. He pitched a great game, and proved himself the best of Hill at all stages. To strike out 13 men and accept 9 fielding chances is a record, and he is proud of it. He either struck out or threw out on fielding chances 17 out of the first 19 men retired on the Mechanicsville side, the first 11 in succession falling victims either to his pitching or fielding. Kenneth Duke had a good day, as well, and his feature of the game when he caught, on a dead run, a hard drive to left-center by Gardiner Edelen, with three men on bases and only one down. That play was labeled for three bags, and with the bases loaded, it looked very much as if another old ball game had gone to the bad. Kenneth only put it down, but threw to second for a double that retired the side.
