Red Cross Provides Friendly Service of Many Kinds to Army of Disabled.

BULK OF WORK BY CHAPTERS

2,397 of These Are Helping Ex-Servicemen Obtain Benefits U. S. Provides.

One field of Red Cross service alone, that assisting disabled veterans of the World War, entails expenditures \$4,000,000 greater than the aggregate receipts of the Annual Roll Call of 1920.

At the present time National Headquarters and the nationwide chain of Chapters of the Red Cross is spending approximately \$10,000,000 annually for the relief of disabled ex-servicemen and their families.

An Ever Expanding Problem That the problem of the disabled service man is ever-expanding and probably will not reach the peak before 1925.

Many Forms of Assistance If there is delay before the man's claim is acted upon, the Red Cross Chapter lends the man money to meet the imperative needs of himself and his dependents.

Every month during the last year, the American Red Cross has given service of one kind or another to an average of 120,215 former service men and their families.

448 Workers in Hospitals While the man prior to entering Government care was largely with the Chapter, afterward he comes into contact with the service provided by National Headquarters.

Condemned. Well, we are all condemned as Victor Hugo says: we are all under sentence of death, but with a sort of indefinite reprieve.

PAPA OUT OF THE RUNNING

Beautiful Lover's Weighty "Remarks" Had Straightened Out the Course of True Love.

A prehistoric young man fell in love with the beautiful daughter of a great chieftain.

But as he was in the habit of making her father's stone as was not bushful, he feared to tell his love.

So he procured a large stone which he carried in the stationery just then—and carried there on his message of devotion.

An ever-bearing orange tree, which citrus fruit growers believe is destined to revolutionize the orange industry of the world.

What seems to be a natural phenomenon is observed in the Fort Steele East Kootenay (British Columbia) district.

New Paneling Valuable. The new wood-metal sheet or paneling, consisting of thin boards of twelve to twenty layers of metal, has given astonishing results.

Piscatorial "Trips." An ex-corporal of the Twenty-first Canadian battalion tells of his company's trip to the Amnans front in 1918.

Vamping for Pity

By MARTHA MACWILLIAMS.

When one is frankly fifty-and-something, with no beauty, no youthfulness, it appears she might reasonably expect any suspicion of vamping, even though appearances might be against her.

Mrs. Frances Lane was firmly of that opinion—and facts disagree it in this matter.

Her position was so assured, she refused to be "in society"—society even with the capital letter often entreated her to come out and play with it.

FALLEN FROM HIGH ESTATE Unfortunate Stag Wolf Knew He Was Not in Condition to Be Leader of Herd.

Two of us were resting in the shade at the end of a portage, taking in the loveliness of the clear mountain lake before us, when with a rustle of the bushes, one appeared a deer.

Evil Conditions in Morocco. The aloth and misery existing among the men of Morocco strike one on every hand, and a correspondent of the Associated Press during a recent arrival—she stood waiting for the tarly escort, the judge, when Jenny possessed herself of her hand, kissed it and said, with a languishing glance: "I've been living for this all day."

Couldn't Demonstrate. Mrs. Bacon—Who was that man who just called?

Mr. Bacon—Oh, he wanted to sell me a preparation to make my hair grow.

ENTRANCE EXAMINATIONS for the School of Engineering, as well as for the College of Arts and Sciences, will be held in the Civil Engineering Bldg., Homewood, from Monday, September 19th, to Thursday, September 22d, 1921, beginning at 9 a.m. each day.

APPLICATIONS FOR SCHOLARSHIPS IN THE SCHOOL OF ENGINEERING established under the provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, a competitive examination must be taken Friday, September 23d, 1921, beginning at 9 a.m.

Each Legislative District of Baltimore City and each County of the State, with the exception of Cecil, Harford, Howard and Queen Anne's, will be entitled to one or more scholarships for the year 1921-1922, in addition to those which have already been assigned. In the four counties mentioned above, all the available scholarships have been awarded.

Under the provisions of the Act of Assembly, the County and City Scholarships in the School of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition be granted to them. The scholarships entitle the holders to free tuition, free use of text-books, and exemption from all regular fees. One of the scholarships in each County and in each Legislative District of the City carries also the sum of \$200, and is known as a "Senatorial Scholarship." Senatorial Scholarships may be awarded for more than one year.

Scholarships may be awarded to graduates of Loyola College, St. John's College, Washington College, Western Maryland College, University of Maryland (Maryland Agricultural College), Mount St. Mary's College and Rock Hill College. Three scholarships may be awarded "at large."
